Written by experienced health educators credentialed by the NCHEC and featuring 325 questions, answers, and rationales in an easily digestible format, this guide offers essential test-taking prep including a full practice exam and key strategies for passing the exam. For further professional insight, this review also contains a chapter on continuing professional development including the requirements and sources for continuing education to maintain CHES certification and information about the advanced credential. NCHEC offers the Master Certified Health Education Specialist (MCCHES). This 2nd edition continues to be a leading resource for anyone preparing for the CHES exam. **Key Features:** 325 practice questions with answers and detailed rationales. Completely updated and reorganized content reflecting the Eight Areas of Responsibility and associated Competencies. Relevant content and background information written by MCCHES certified authors, including a Test Day Q & A Sample exam with the expected mix of questions from each of the Eight Areas of Responsibility and an answer section with explanations of the correct answer. Advice on career development and continuing education as a Certified Health Education Specialist. Information about the advanced credential offered by the NCHEC, the Master Certified Health Education Specialist (MCCHES). *Ensuring Adult and Non-Traditional Learners' Success With Technology, Design, and Structure* Jennings, Charity L. B., 2021-04-23 With the increasing share of adult and non-traditional students in the higher education student body, higher education faculty and administrators must ensure that the design of programs, courses, and student services support the success of all students. The needs and wants of these adult and non-traditional learners will differ, and it is important that research helps advance the understanding of these students to increase their success, acclimation, and experience in institutions. *Ensuring Adult and Non-Traditional Learners' Success With Technology, Design, and Structure* is designed to provide higher education professionals with current research and research-based best practices for ensuring student success for adult learners and non-traditional students. The research presented in this book will help ensure that programs, courses, and student services are designed and implemented in a manner that supports student success for all learners in the institution. Chapters include research on student motivation.
