Me Before You Jojo Moyes, 2012 Lou Clark knows lots of things. She knows how many footsteps there are between the bus stop and home. She knows she likes working in The Buttered Bun tea shop and she knows she might not love her boyfriend Patrick. What Lou doesn't know is she's about to lose her job or that knowing what's coming is what keeps her sane. Will Traynor knows his motorcycle accident took away his desire to live. He knows everything feels very small and rather joyless now and he knows exactly how he's going to put a stop to that. What Will doesn't know is that Lou is about to burst into his world in a riot of colour. And neither of them knows they're going to change the other for all time. Praise for Jojo Moyes: What a wonderful, thoughtful and moving book. I was riveted all the way through. Absolutely loved it. Sophie Kinsella: Destined to be the novel that friends press upon each other. More than any other, Lou and Will are a couple who readers will take to their hearts as they did One Day's Emma and Dex. A novel that demands an afternoon on the sofa with a fistful of tissues. Independent on Sunday: A triumph. Packs such an emotional punch you'll need a box of tissues. Elle: Magical and heartbreakingly waterproof mascara essential. Marie Claire: Summary of Me Before You Instaread Summaries, 2016-04-04

Expert Book Reviews, 2014-03-31 WARNING This is not the actual book Me Before You by Jojo Moyes Do not buy this Review if you are looking for a full copy of this great book This review of British author Jojo Moyes Me Before You gives you some fun facts about Moyes and her works including the fact that the inspiration for this novel was a quadriplegic rugby player who committed suicide at the same Dignitas clinic mentioned in the novel Me Before You is the story of a woman who discovers herself and love while caring for Will Traynor a bitter quadriplegic It also delves deeper into the psyche of Louisa a young

woman who already has a boyfriend albeit a dull one She is forced to leave her caf job leading her to a job caring for Will and a love she never saw coming Me Before You is a compelling tale that analyzes the right to die debate in a way you never considered Louisa s job description is as caregiver but it s clear that Will s mother just wants her there to watch over him Will was once a powerful successful and handsome hunk of a man yet now he feels like a shell of his former self ready to give up Lou still sees that hunk and she is ready to do everything she can to give him the courage to go on and make the most of life Lou s charm works as she even manages to cheer him up on occasion Everything changes when she overhears his intention to commit suicide in six months The author s choice of ending for Me Before You is controversial and this review offers an alternative outcome that might have kept a few more tissues in the box
