Shamanic Secrets for Physical Mastery Robert Shapiro, 2003-11-01 The fourth installment of the series tells of the incredible vehicle traveling with the Hale Bopp Comet four times the size of Earth and filled with lightbeings The book also covers the Montauk project the HAARP project and the uncreation of Hitler **Waking** Matthew Sanford, 2008-05-27 Matthew Sanford's inspirational story about the car accident that left him paralyzed from the chest down is a superbly written memoir of healing and journey from near death to triumphant life Matt Sanford's life and body were irrevocably changed at age 13 on a snowy Iowa road On that day his family's car skidded off an overpass killing Matt's father and sister and left him paralyzed from the chest down confining him to a wheelchair His mother and brother escaped from the accident unharmed but were left to pick up the pieces of their decimated family This pivotal event set Matt on a lifelong journey from his intensive care experiences at the Mayo Clinic to becoming a paralyzed yoga teacher and founder of a nonprofit organization Forced to explore what it truly means to live in a body he emerges with an entirely new view of being a whole person By turns agonizingly personal philosophical and heartbreakingly honest this groundbreaking memoir takes you inside the body heart and mind of a boy whose world has been shattered Follow Sanford's journey as he rebuilds from the ground up searching for healing stories to help him reconnect his mind and his body To do so he must reject much of what traditional medicine tells him and instead turn to yoga as a centerpiece of his daily practice He finds not only a better life but also meaning and purpose in the mysterious distance that we all experience between mind and body In **Waking** Sanford delivers a powerful message about the endurance of the human spirit and of the body that houses it **Beyond the Binary** Shari Thurer, 2023-01-19 The increase in the number of non binary children and adults in our society raises important treatment questions as well as much controversy It seems essential that analysts and candidates grapple with the challenges this change in society presents As we struggle in our psychoanalytic societies to diversify our membership and broaden our understanding of difference this collection offers an opportunity for further discussion and study of one of the most important issues of our time The opening essay by editor Shari Thurer provides a clear overview of recent cultural changes and the evolution of thinking about gender identification by the American Psychoanalytic Association Next is an autobiographical essay by long term non binary individual Robin Haas plus a clinical reflection on Haas contribution by Rita Teusch A recent account of an individual becoming non binary from Francesca Spence is followed by the reactions of their parents L Harry Spence and Robin Ely After that are psychoanalytic thoughts about the body and gender by Malkah Notman and reflections on gender from Dan Jacobs The book ends with an extensive bibliography on the subjects of transsexuality and non binary gender by Oren Gozlan **Beyond the Binary** Essays on Gender introduces readers to current ideas about gender fluidity and choice as well as giving voice to those who have chosen to be non binary This is a must read for all practising clinicians that will help broaden their perspective on this growing issue This is the fourth publication sponsored by the Library Committee
