[Global Marketing Management](#) Masaaki (Mike) Kotabe, Kristiaan Helsen, 2022-10-04 An indispensable resource for students of marketing management and international business. In the newly revised ninth edition of Global Marketing Management, a decorated team of international marketing professionals delivers an authoritative discussion of the realities of global marketing in today's economy and an insightful exploration of the future of marketing to an international audience. You'll obtain an integrated understanding of marketing best practices on a global scale, complete with relevant historical background and descriptions of current marketing environments. The latest edition builds on four major structural changes to the global marketing environment: growing anti-globalization sentiment, the growth of information technology, tools, the increasing demand for personalization and the environmental impact of business activity. In-depth case studies offer lively discussions of real-world global marketing campaigns and are accessible online. Global Marketing Management also provides thoroughly updated examples and case studies with contemporary information. An ongoing emphasis on the increased volatility and uncertainty of today's global markets. Updated discussions of the balance to be struck between pursuing economies of scale and respecting unique cultural sensitivities. New explorations of major global environmental and ethical issues. New chapters on emerging markets, internet marketing and corporate social responsibility.

Think Like Amazon: 50 1/2 Ideas to Become a Digital Leader John Rossman, 2019-05-03 Reading this book is like having Jeff Bezos advise me. Eric Martinez, Founder and CEO of Modjoul. The former Amazon executive who launched and scaled Amazon Marketplace delivers the ultimate playbook on how to think like Amazon and succeed in the digital age. What would Jeff do? Since leaving Amazon to advise start-ups and corporations, John Rossman has been asked this question countless times by executives who want to know the secret behind Amazon's historic success. In this step-by-step guide, he provides 50 1/2 answers drawn from his experience as an Amazon executive and shows today's business leaders how to think like Amazon, strategize like Bezos, and beat the competition like nobody's business. Learn how to move forward to get back to Day 1 and change the status quo. Use the working backwards innovation and problem-solving approach to lead the way. Become a platform company with the right platform strategy. Create customer obsession and grant your customers superpowers. Experiment, fail, rinse, and repeat. Decentralize your way to digital greatness. Master the magic of small autonomous teams. Avoid the trap of past positions. Make better and faster decisions. Use metrics to create a culture of accountability and innovation. Use AI and the Internet of Things to reinvent customer experiences. In addition to these targeted strategies, you'll receive a rare inside glimpse into how Jeff Bezos and Amazon take a remarkably consistent approach to innovate, explore new markets, and spark new growth. You'll understand the unique mindset and inner workings that drive Amazon's operational excellence, from its ground-up approach to new digital markets to its out-of-the-box attitudes on innovation. Along the way, you'll learn specific game-changing strategies that made Amazon stand out in a crowded digital world. These include actionable ideas that you can use to transform your culture, expand your business into digital, and become the kind of platform company that customers obsess over. Rossman also offers invaluable insights into the latest technologies, e-commerce, marketing, online culture, and IoT disruptions that only an Amazon insider would know. If you want to compete and win in the digital era, you have to Think Like Amazon.
