**Data Game** Josh Williams, 2024-03-25 *Data Game The Story of Liverpool FC's Analytics Revolution* explores the lesser known story of how Liverpool rose to greatness in the 21st century with the help of big data. The Anfield institution is an industry leader in the field of data science but little is known about how Liverpool's relationship with numbers began and how the marriage of data and football helped to deliver wins on the pitch by impacting tactics and recruitment. Upon their takeover Fenway Sports Group set out to transform Liverpool into a data driven organisation but there is a story behind why that vision took around a decade to become a reality. From errors in the transfer market to suboptimal playing styles to conflicting egos Liverpool jumped many hurdles before achieving their ambitions under Jürgen Klopp with the German surrounded by unsung heroes who shunned the limelight. This is the tale of how Liverpool gained an edge over their wealthier rivals by getting smart.

**Conversion Optimization** Khalid Saleh, Ayat Shukairy, 2010-11-01 How do you turn website visitors into customers? Conversion Optimization offers practical advice on how to persuade visitors to make a buying decision without driving them away through data overload or tedious navigation. You'll learn how to use marketing principles design usability and analytics on your site to increase your buyer to visitor ratio whether you're involved with marketing or designing a large ecommerce site or managing a modest online operation. Based on the author's broad experience in helping businesses attract online customers this book addresses every aspect of the process from landing visitors to finalizing the sale. You'll learn several techniques for blending successful sales approaches with the particular needs of the people you want to attract. Are you ready to do what it takes to get a double digit conversion rate? Explore case studies involving significant conversion rate improvements. Walk through different stages of a sale and understand the value of each. Understand your website visitors through persona creation. Connect with potential customers and guide them toward a conversion. Learn how to deal with FUDs customer fears uncertainties and doubts. Examine the path that visitors take from landing page to checkout. Test any change you make against your original design. The Web is unique in its ability to deliver this almost improbable win win. You can increase revenue AND make your customers happy. Yet most websites stink. Worry not Khalid and Ayat to the rescue. Buy this book to follow their practical advice on how to create high converting websites that your visitors love.
