Notes on Nursing Florence Nightingale,2012-08 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy    **Notes on Nursing: What It Is, and What It Is Not by Florence Nightingale** Florence Nightingale,2020-01-08 Rather ten times die in the surf heralding the way to a new world than stand idly on the shore Florence Nightingale Notes on Nursing What it is and What it is Not is a book first published by Florence Nightingale in 1859 A 76 page volume with 3 page appendix published by Harrison of Pall Mall it was intended to give hints on nursing to those entrusted with the health of others Florence Nightingale stressed that it was not meant to be a comprehensive guide from which to teach one s self to be a nurse but to help in the practice of treating others A True Classic for all Nurses Medical Professionals and Feminists    **Notes on Nursing** Florence Nightingale,Anita S. Kessler M.S.N.

M.Ed.,2007 Neither in my own nursing education at the B S N nor at the M S N level was it even suggested much less required that I read any of Florence Nightingale s original writings Even as a nurse educator for over 30 years I did not require my students to read her writings After reading this book I now believe it is a void in the education of a nurse not to read at least some of the writings of the founder of modern day nursing Notes on Nursing would be an excellent choice This book introduces and discusses to some degree many of the concepts nurses have been dealing with since before my entrance into the field in the 1969 and certainly ever since Included in these pages are concepts such as holistic health home health alternative therapies health prevention and maintenance the role of women in nursing and in everyday life nursing administration leadership communications skills mind body and body mind relationships Her theory on the use of light fresh

air warmth cleanliness quiet and the proper selection and administration of diet is also well explored Some of the comments are unexpected and very insightful Anita S Kessler R N M S N M Ed Florence Nightingale was the founder of the modern nursing profession She single handedly revolutionized medical treatment with her writings on nursing Anita S Kessler has been an educator of nurses for more than thirty years Notes on Nursing Florence Nightingale,2009-10 Nightingale Notes on Nursing What it is What it is Not is a classic by Florence Nightingale the first modern nurse Nightingale s methods were revolutionary in her time and they form the basis for the techniques of patient management that have been taught ever since Nightingale Notes on Nursing What it is What it is Not is a great overview in her own words of Florence Nightingale s ideas on care cleanliness and the nursing process in general Her directives are widely applicable today Anyone interested in the healthcare process nursing or notable women in history would do well to read Nightingale Notes on Nursing What it is What it is Not **Notes on Nursing** Joseph Kunz,Florence Nightingale,2021-05-04 New 2021 4th edition This Annotated Nursing Student Edition of Nightingale s Notes on Nursing book is the first in history to be made into an annotated nursing student edition with focus questions for each chapter author quotes and a full index that includes a glossary word index author bio and additional sources for nurses all designed to make reading and studying this book much easier and much more enjoyable

A modern nurse can learn more from Florence Nightingale with our edition than any edition published before While medical knowledge has significantly increased since Nightingale s time her common sense and wisdom still form a solid basis for caring for sick people today Nightingale created higher standards for the nursing profession with this book This helped transform nursing into the respectable profession we know today Notes on Nursing continues to provide an excellent resource for nurses Special Features Used in This Book Foreword The foreword has a discussion about the book s format and a discussion about the subject of the book Section Headings These descriptive headings break the book down into manageable sections for reading and for discussion Focus Questions Key questions to prepare the reader for the concepts addressed in each chapter A short list of questions is highlighted at the beginning of each chapter Glossary Medical and non medical terminology used throughout the book are defined to help the reader better understand and learn more Difficult and obscure words and terms are underlined throughout the text and defined in the glossary Quotes Important and interesting quotes from the author are highlighted in every chapter Extensive word index so that the reader will have no trouble finding any of the important subjects mentioned in the book Footnotes provided throughout the text Notes on Nursing Florence Nightingale,2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this
