Nothing Else Matters:

Nothing Else Matters Nancy A. Almodovar, 2022-03-18 It is said that Jaroslav Jan Pelikan a leading scholar in the history of Christianity and Sterling Prof Everett of history at Yale University on his deathbed confessed this If Christ has not risen from the dead nothing else matters If Christ has risen from the dead nothing else matters I came across this quote in my research for the Apologetics Together courses that I offer on social media and was immediately awed at its profound implications Indeed if Jesus has not risen we must agree with Saint Paul that the world remains in their sins and are eternally lost However since Jesus has risen those who have placed their trust in him are assured of salvation and eternal life This book looks at the prophecies and fulfillment in the Scriptures which assure us that he who died on the cross at Calvary rose again on the third day for our justification

When Nothing Else Matters Michael Leahy, 2004-11-09 As one of the greatest most celebrated athletes in history Michael Jordan conquered professional basketball as no one had before Powered by a potent mix of charisma nearly superhuman abilities and a ferocious need to dominate the game he won six NBA championships with the Chicago Bulls and captured every basketball award and accolade conceivable before retiring and taking a top executive post with the Washington Wizards But retirement didn't suit the man who was once king and at the advanced age of thirty eight Michael Jordan set out to reclaim the court that had been his dominion When Nothing Else Matters is the definitive account of Jordan's equally spectacular and disastrous return to basketball Having gone on the road to chronicle Jordan's final two seasons award winning Washington Post writer Michael Leahy draws a riveting portrait of a deeply complex man waylaid by his impulses and impatience frequently hampered by injuries assaulted by younger players eager to usurp his throne and ultimately done in by his presumption Encouraged for two decades by his sport's magnates to believe that he had no limits or superiors Jordan could not see his influence and power fading as his Wizards days ticked down and his team's losses and dissension grew For teammates and outsiders alike the star emerged as a relentlessly driven at times unapproachable personality Leahy reveals the striking contrast between Jordan's public image and the man who couldn't stand not being it Hell bent on transforming the mediocre Wizards into championship contenders Jordan controlled every facet of his new team dispensing orders behind the scenes to coaches and players As his anger and bitterness over Washington's on court setbacks became increasingly public his teammates resentment of him stoked already burgeoning tensions between Jordan and the Wizards top brass Leahy unmaskes the myths and unravels the deeper lessons behind the highs and lows of the two seasons illuminating the excruciating reality Jordan was forced to accept after the Wizards failed playoff bid in his final season When Nothing Else Matters is about nothing less than a man struggling to come to grips with the end of a career and the uncertainty of his life ahead
