

NREMT Study Guide

Medical, Legal, and Ethical Issues

-1978: National Association of Emergency Medical Technicians (NAEMTs) adopted the EMT Code of Ethics

-Providing for the well-being of the patient by rendering necessary interventions outlined in the scope of practice

-Legal duties are defined by state legislation and are enhanced by medical direction through the use of protocols and standing orders

-Legal right to function as an EMT is contingent upon the following:

- Medical direction
- Telephone/radio communications
- Approved standing orders/ protocols
- Responsibility to medical direction

When in doubt or when written orders are not present, the EMT should begin resuscitation efforts; contact medical control for definitive direction

Forms of Consent:

- **Expressed Consent:** Patient must be of legal age and able to make rational decision; Must be informed of the steps of the procedures and all related risks;

Consent must be obtained from every conscious, mentally competent adult before rendering any treatment

- **Implied Consent:** Consent assumed from the unconscious patient requiring emergency intervention; Based on the assumption that the unconscious patient would consent to life-saving interventions
- **Children/Mentally Incompetent Adults:** Consent for treatment must be obtained from parent or legal guardian; When life-threatening situations exist, and parent or legal guardian is not available, emergency treatment should be rendered based on implied consent
- **Assault/ Battery:** Charged when proper consent is not elicited; Unlawfully touching a patient without their consent; Providing emergency care when the patient does not consent to the treatment
- Patient has the right to refuse treatment
- The patient may withdraw from treatment at any time; refusals must be made by mentally competent adults
 - Patient must be informed of and fully understand all the risks and consequences associated with refusal of treatment/ transport
 - Must sign "release from liability" form
 - When in doubt, err in favor of providing care

Nremt Basic Study Guide

Guy H. Haskell, Robert C. Krause

Nremt Basic Study Guide:

Aehlert's EMT-basic Study Guide Barbara Aehlert,1998-01-01 The author a well known and respected specialist in the field provides the reader with authoritative coverage of what the EMT needs to know perfectly balanced between the question bank and the more comprehensive traditional text The presentation is clear and concise making the text an excellent addition to the EMT student s resources as well as a perfect tool to use in reviewing for refresher courses

Paramedic Review Manual for National Certification Stephen J. Rahm, 2003-06 This four section guide is designed to prepare the Paramedic candidate for the NREMT written and practical examination processes. **From Buddy to Boss 2nd Edition Study Guide** Chase Sargent, Chase Sargent's *From Buddy to Boss* Study Guide complete with an answer key and page number references perfectly complements his best seller *From Buddy to Boss* Effective Service Leadership. Before he started teaching these leadership skills it quickly became apparent that leadership and human resources training was as scarce as water in a desert and that the fire service was thirsty. Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader. Many leaders are surrounded by external politics, hidden agendas, social constraints and manipulative people all factors to consider when navigating your career. *From Buddy to Boss* reinforces that the fire service desperately needs leaders. This book and study guide will help develop frontline personnel as leaders.

EMT Book Exam Prep Tpb Publishing, 2020-08-21 Test Prep Books EMT Book Exam Prep NREMT Study Guide and Practice Test Questions for the EMT Basic Exam Emergency Medical Technician 3rd Edition.
