Natalie is living proof that love is a scam. She's traumatised by her parents failed marriage and overwhelmed by her grandmother's expectations of good Lebanese girls marriage motherhood and exceptional tabouli making skills. When her best friend decides to get hitched to a guy in the motherland Nat's not exactly thrilled by the mammoth task before her juggling cultural traditions extra bridesmaid dresses and super judgemental relatives. And to top it off there's the annoyingly good looking best man and his constant need to mansplain all of the things Natalie is in for the trip of her life. But can she save her friend from the cult of romance without falling in love herself? PRAISE FOR THE CULT OF ROMANCE The Cult of Romance is a vividly realised dazzling and charming book which made me snort with laughter as much as it compelled me to pause for thought. Ayoub tackles the agonies and joys of in betweenness of what who and where we make and feel homeland and heartland. Her intimacy with the worlds she writes about is obvious in her rich and subtle descriptions. Ayoub has given Australian YA literature a fresh and uniquely cross generational and cross border perspective on perennial themes of identity family friendship loyalty and love. A young Australian Lebanese woman grappling with these questions as she navigates her parent's homeland Lebanon. The story invites readers to think about the many worlds and worlds within worlds children of migrants must navigate without losing sight of the humour lightness and joys in the journey. Ayoub has written something truly original and special. Randa Abdel Fattah award winning author of When Michael Met Mina. The Cult of Romance is a fun heartfelt and relatable read that buzzes with youthful energy. Sarah Ayoub manages to criss cross two worlds and tenderly land in the space in between where children of diaspora often find themselves. Her book deftly captures the angst of growing up torn between two cultures. The Cult of Romance is for those who've never seen themselves in the pages of a novel whose old country customs say more about who they are than who their parents or grandparents were. In this way The Cult of Romance is a quintessentially Australian story about love family belonging and finding your place in the world.
