Notes from the Midnight Driver J.

Sonnenblick, 2007-10 For use in schools and libraries only In attempt to shake up the system Alex finds himself in deep water and ends up having to do community service at an old age home where his services are received with very little appreciation and endless harassment from its unfriendly residents Notes from the Midnight Driver, 2014 *Notes from the Midnight Driver*, 2006

After Ever After Jordan Sonnenblick, 2011 New in paperback the amazing sequel to *Drums Girls Dangerous* Pie Jeffrey isn't a little boy with cancer anymore He's a teen in remission Even though the cancer should be far behind him life still feels fragile The after effects of treatment have left Jeffrey with an inability to be a great student or to walk without limping His parents still worry about him His older brother Steven who has always been Jeffrey's main support system and confidant lost it and took off to Africa to be in a drumming circle and find himself Jeffrey has a little soul searching to do too He needs to tell Steven how he feels about basically being abandoned His best friend Tad is hatching some kind of secretive crazy plan which is driving him bonkers And there is a girl who is way out of his league but who thinks he's cute Profound funny and utterly original After Ever After promises laughter and tears and characters who will live with readers long after the story is over

The Write to Read Lesley Roessing, 2009-07-30 In this practical handbook Lesley J Roessing presents a unique step by step model of response journaling which demonstrates how teachers can plan and implement response journaling using concepts that can be applied to all content areas The Write to Read Reading Journals That Increase Comprehension teaches students in Grades 5-12 how to respond to reading material in a variety of ways encourages students to read self-selected books and helps them develop skills for deeper and more meaningful responses The book contains a combination of theory practice practical advice anecdotes and teacher models along with samples of student work Readers will also find an array of tools for adapting the program to learners' needs and interests and for evaluating student progress
