### **Just-in-Time Logistics**

Kee-hung Lai, T.C.E. Cheng, 2016-04-22 The enduring repercussions of the Asian financial crisis in 1997 the worsening global economy following the burst of the dotcom bubbles in 2001 the financial tsunami in 2008 and the incessant rise in customer demand for better services have all contributed to shrinking profit margins for businesses around the world To cope with these challenges firms are discovering logistics as a competitive weapon when looking for ways to strengthen and preserve their market positions One successful solution has been the adoption of Just in Time manufacturing systems which involve many functional areas of a firm such as manufacturing engineering marketing and purchasing among others Just in Time Logistics extends the JIT concept in manufacturing to business logistics an area that has been observed to account for more than 30 per cent of sales revenue for some firms It gives you an overview and an introduction of JIT logistics and provides managerial insights on how to achieve improved logistics performance in terms of cost and service enhancements A discussion of the quality implementation and performance measurement issues related to the application of JIT in business logistics is also presented

HAPPY SERVING J. RANDALL ALLBRIGHT, 2018-04-24 Happy Serving is a collection of thoughts that I would define as part devotional part leadership book and part text book It is a motivational writing to bring out the very best ethical and superior service in every thing you do The short essays tips will often end with a question or thought These questions and thoughts will beg for reflection and action I believe this book will inspire and motivate you and your employees to be your best in everything you do by offering tips and advice for serving the customer It will break down the negative observations as well as the positives of REAL life examples This journey of life will travel through my analytical eyes noting good and bad work ethics mindsets and mentalities toward the service of others My desire is that this book will assist you and your employees to excel with unparalleled service to others Though the focus is largely from the pre engineered steel industry the principles within apply in any business sector
