Oracle Compensation Workbench Implementation Guide

Peter Navin, David Creelman

Oracle Compensation Workbench Implementation Guide:

A Practical Guide to Implement Oracle E-Business Suite Anant Porwal, 2016-09-26 Planning executing and controlling the implementation process for Oracle E Business Suite is no easy task but done right can do wonders for your business Anant Porwal a certified master in Oracle Financials with twenty years of experience helping businesses implement the suite of applications provides a comprehensive blueprint to get the most value out of the product with this implementation guide The first section highlights high level features of core Oracle E Business Suite applications including various technology pieces It also explains how the applications allow for flexibility in accounting and in processing transactions The second section explores how to implement the suite of applications from identifying the goals you want to achieve selecting and building an implementation team designing an implementation process documenting and tracking progress and taking the necessary steps to ensure implementation is a success A Practical Guide to Implement Oracle E Business Suite is must read for all members of companies planning Oracle implementation including stakeholders project managers team members and consultants alike it provides insight into the intricacies and efforts for implementing very complex package Oracle E Business Suite

The CMO of People Peter Navin, David Creelman, 2018-10-22 Instead of thinking of Human Resources as a kind of upgraded personnel department it can be thought of as an analogue to marketing Just as the Chief Marketing Officer curates an experience to get the best lifetime value from customers the head of HR can curate an experience to get the best lifetime value from employees This book explores this new model and titles its leader as The CMO of People This new title encapsulates a business focused people function that has learned from the proven tools of the marketing function The CMO of People creates a predictable and immersive employee experience that drives productivity and performance In this pathbreaking book Peter Navin and David Creelman discuss How to create a predictable and immersive end to end experience for employees How a CMO of People can overcome barriers and drive performance Why we need to structure the HR department differently How to find unconventional people to staff this unconventional model For a review of the book on the HR Bartender blog click here <https://www.hrbartender.com> 2019 career development human resources future skills
