

## ORDER OF

## THE LYCAN

An Order for the  
Blood Hunter Class.

Of the many terrible curses that plague the realm, few are as ancient or as feared as Lycanthropy. Passed through blood, this affliction seeds a host with the savage strength and hunger for violence of a wild beast. Those that shun the curse spend their lives burying their wild, bestial urges deep inside. However, the power of a rising full moon makes the curse too strong to resist, and the host transforms into a terrifying animal-humanoid hybrid controlled by murderous impulse. Those that embrace the dark nature of their curse learn to harness their bestial gifts, but also succumb to the evil, vicious temperament that drives the beast within.

The Order of the Lycan is a proud order of blood hunters who undergo "The Taming", a ceremonial inflicting of lycanthropy from a senior member. These hunters then use their abilities to harness the power of the monster they harbor without losing themselves to it.

Through intense honing of one's own willpower, combined with the secrets of the order's blood magic rituals, members learn to control and unleash their hybrid form for short periods of time. Enhanced physical prowess, unnatural resilience, and razor sharp claws make these warriors a terrible foe to any evil that crosses their path. Yet, no training is perfect, and without care and complete focus, even the greatest of blood hunters can temporarily lose themselves to the bloodlust.
