# Ordination A Biblical Historical View

**P. Steven Paulus**

## **Ordination A Biblical Historical View:**

*Ordination* Marjorie Warkentin, 2003-12-08 Throughout the history of the church ordination has been practiced in nearly all its branches or denominations. Yet there has never been a set theology or procedure for this rite probably because there is no general agreement on what it signifies. According to author Warkentin All kinds of suppositions about ordination abound. The Scriptures of the New Testament are called upon to substantiate many of these assumptions but contradictory doctrines continue to coexist. Warkentin's aim in this book is to examine the historical exegetical and theological sources of the rite of ordination. In the course of her study several issues pertinent to church leadership practices emerge. Does a representative mediatorial view of the ministry lead to encroachment on the office of the risen Lord and hinder the functioning of spiritual gifts in the church? Can we arrive at authentic scriptural norms on which to base leadership patterns in our churches? Warkentin's answers to these questions are both surprising and thought provoking. She believes that the priesthood of all believers loses its meaning unless we recognize that true ministry Christian service can be practiced by each Christian according to his or her spiritual gifts regardless of ordination. According to Warkentin The vocabulary of the New Testament permits no pyramidal forms. Ordination can have no function in such a system for it sets up barriers where none should exist that is between one Christian and another and hinders the mutual service by which the church is edified

### **Ordination**

Marjorie Warkentin, **Pagan Christianity?** Frank Viola, George Barna, 2010-09-30 Have you ever wondered why we Christians do what we do for church every Sunday morning? Why do we dress up for church? Why does the pastor preach a sermon each week? Why do we have pews, steeples, and choirs? This groundbreaking book, now in affordable softcover, makes an unsettling proposal: most of what Christians do in present-day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles. Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices. In the process, the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be. As you reconsider Christ's revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role, you'll be challenged to decide whether you can ever do church the same way again.

*The People of God* Paul Basden, David S. Dockery, 2009-08-01 The term Believers Church refers to those who regard the church as the fellowship of regenerate followers of Jesus Christ. Membership in these churches is founded on a voluntary confession of Jesus as Lord. Each member has access to God in worship and prayer and accepts responsibility for carrying the gospel to the world. The Word of God serves as the final authority in all matters of faith and practice. Written by capable thinkers in the Believers Church tradition, *The People of God* addresses key issues in the area of ecclesiology. The contributions represent a wide variety of mature theological reflection. Exploring these ecclesiological concerns from a theological, biblical, historical, and contemporary perspective, these essays reflect the unity and

diversity of the Believers Church heritage     Sacramental Life Volume 14.1 Rwth S. Ashton,Kimberlee Conway Ireton,K. Mike Franklin,Carmen L. Lile-Henley,Brett Webb-Mitchell,Christopher D. Rodkey,Dwight W. Vogel,2002-12-01 Sacramental Life Volume 14 1 Winter 2002 Founded in 1988 Sacramental Life is one of two journals published by the Order of Saint Luke OSL Publications It focuses on the emerging and historical practices of Christian worship Print distribution is to the members of the Order globally as well as to a number of theology departments and seminary libraries in the United States     **The**
