Original Sources of English History Louis Francis Salzman, 1921 **Original Sources of English History (Classic Reprint)** L. F. Salzman, 2015-07-08 Excerpt from Original Sources of English History Earlier generations of schoolboys learnt English History as a series of unrelated facts set out in text books of doubtful accuracy but indubitable dullness these facts and above all the dates of their occurrence they memorized at the command of their teachers with the intelligence if not always with the fidelity of the average parrot More of such teachers and text books have survived the passage of years than might have been hoped but for some time past more enterprising teachers have supplemented their text books with Source Books selections of excerpts and translations from ancient chronicles and contemporary records Yet so far as I know no writer has attempted to show the relation between these extracts and the text books or to explain on what bases History is built up This little book which had its origin in a course of lectures on The Original Sources of English History which I gave at St George s School Harpenden seeks to fill that gap Its objects are two first to give the reader some general idea of the materials which the historian can and should use and next to indicate the fascinating light on history which the student can obtain by indulging in research among those materials About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Readings in English History Drawn**
