### DIFFERENTIATED PASSAGE & PROMPT

Passage 1

#### Ice Cream: Cup or Cone?

Normal people value food that present health experts can have for you to have a cup or a cone. This argument has a lot of merit from the health experts' point of view.

Normal people like the cones because they can be eaten and taste better. They like eating them in cups because they taste better than cones. They should enjoy eating the cones.

Other people like cones. They think the cones are better than cups. They may eat them because they are easier to eat. They may eat them because they are more delicious. They like eating the cones because they taste better than cups. But the cones are not as present as cups because they are not as healthy as cups.

Passage 2

#### Ice Cream: Cup or Cone?

In this world of fast food culture, there is a big debate about what is better: cones or cups. This argument has a lot of merit from the health experts' point of view.

Normal people like the cones because they can be eaten and taste better. They like eating them in cups because they taste better than cones. They should enjoy eating the cones.

Other people like cones. They think the cones are better than cups. They like the cones because they are easier to eat. They may eat them because they are more delicious.
