

Palestinian Activism In Israel

Michael Riordon

Palestinian Activism In Israel:

Organizations, Gender and the Culture of Palestinian Activism in Haifa, Israel Elizabeth Faier, 2013-09-13 This book based on 25 months of anthropological fieldwork examines activists and activism in Palestinian nongovernmental organizations in Israel. It concentrates on the ways organizations enable certain processes of self identification based on activists constructions of modernity

Arab-Jewish Activism in Israel-Palestine

Dr Marcelo Svirsky, 2013-04-28 Applying the insights of Deleuze and Guattari's works to Israel Palestine Arab Jewish Activism in Israel Palestine sets out to re conceptualise the relationship between resistance and power in ethnically segregated spaces in general and the Israeli Palestine context in particular. Combining many years of ethnographic study and political and social activism with a solid theoretical conceptual framework Marcelo Svirsky convincingly argues that successful efforts to decolonise the region depend on taking the struggle beyond self determination and making it collaborative. Decolonisation depends on political and cultural changes that elaborate on the historical partition of social life in the region that have been an issue since the early twentieth century. This elaboration means producing a civil struggle aimed at the destabilisation of the Zionist supremacy and resulting in a democratic political community from the Mediterranean Sea to the Jordan River. Simply not just another book on Israel and Palestine Arab Jewish Activism in Israel Palestine provides refreshingly new empirical evidence and theoretical analysis on the connection between resistance intercultural alliances civil society and the potential for actualising shared sociabilities in a conflict ridden society. An indispensable read to all scholars wishing to gain original insights into the transversal connections which transcend ethnicity

Israeli-Palestinian Activism

Alexander Koenigsler, 2016-03-09 When do words and actions empower. When do they betray. Based on ethnographic fieldwork this volume tracks the repercussions of advocacy activism against house demolitions in unrecognised Arab Bedouin villages in Israel's southern internal frontier. It highlights the repercussions of activism for victims fund raisers and activists. The ethnographic episodes show how humanitarian aid intervention and indigenous identity politics can turn into a double edged sword. Ironically institutional lobbying for coexistence and its interpretative categories can sometimes perpetuate different forms of subjugation. The volume also shows how beyond the institutional lobbying novel figures of activism emerge informal networks create non sectarian cross cutting countercultures and rethink human environment relationships. These experimental political subjects redefine the categories of the conflict and elude the logic of zero sum games they point towards a shifting paradigm in current ethnopolitics. Koenigsler outlines an ethnographic approach for the study of social movements that follows multiple relations around mobilisations rather than studying activism in itself. This perspective thus becomes relevant for scholars and activists engaged with the Israeli Palestinian conflict and those interested in global rights discourses

Routledge Companion to the Israeli-Palestinian Conflict

Asaf Siniver, 2022-10-27 This Companion explores the Israeli Palestinian conflict from its inception to the present day demonstrating the depth and breadth of the many facets of the conflict from the

historical political and diplomatic to the social economic and pedagogical aspects The contributions also engage with notions of objectivity and bias and the difficulties this causes when studying the conflict in order to reflect the diversity of views and often contentious discussion surrounding this conflict The volume is organized around six parts reflecting the core aspects of the conflict historical and scholarly context of the competing narratives contemporary evolution of the conflict and its key diplomatic junctures key issues of the conflict its local dimensions international environment of the conflict the other images of the conflict as reflected in public opinion popular culture the boycott divestment and sanctions BDS movement and academia and pedagogy Providing a comprehensive approach to the Israeli Palestinian conflict this companion is designed for academics researchers and students interested in the key issues and contemporary themes of the conflict

Organizations, Gender, and the Culture of Palestinian Activism in Haifa, Israel Elizabeth Faier,2005 Extrait de l introduction In this book based on 25 months of fieldwork from 1993 1995 and subsequent visits in the summers of 2000 and 2001 the author examines activism and activists in Palestinian nongovernmental organizations in Israel The author argues that organizations enable certain processes of self identification based on activist s constructions of modernity Throughout the text she does not demonstrate how activists conceptualizations of modernity reflect Western academic discourses of modernity Rather it is her intent to unfold and illustrate a vernacular Palestinian and activist discourse of modernity exploring how modernity here is literally an ideology in the make and subject to improvisation Still these same improvisations carry social weight within the activist community as activists reflect on their roles as emergent modern leaders as well as judge others with reference to these same ideologies **Palestinian Activism in Israel** H. Dahan-Kalev,E. Le Febvre,Amal El' Sana-Alh'jooj,Emilie Le Febvre,2012-10-15 A close description of Amal El Sana Alh'jooj s experiences as a Palestinian Bedouin female activist this book explores Amal s activism and demonstrates that activists biographies provide a means of understanding the complexities of political situations they are involved in **Struggling for a Just Peace** Maia Carter Hallward,2011-08-14 Almost invisibly numerous activists are presently engaged in ongoing nonviolent efforts to build peace and bring about an end to the Israeli Palestinian conflict Beginning in 2004 after the mainstream peace movement collapsed Maia Hallward spent most of a year observing the work of seven such groups on both sides of the conflict She returned in 2008 to examine the progress they had made in working for a just and lasting peace Although small these grassroots organizations provide valuable lessons regarding how peacebuilding takes place in times of ongoing animosity and violence By raising awareness of these groups existence Hallward provides a much richer investigation of available options for peacemaking in Israel which is otherwise dominated by violence and armed strategies Challenging the official diplomatic presumption that peace is about working out lines on a map she relocates the question into social cultural political and geographic contexts that affect people s daily lives In the end Struggling for a Just Peace offers a critical look at the realities on the ground focusing on what has been successful for groups engaged in working for peace in times of conflict and how

they have adapted to changing circumstances

Gender and the Israeli-Palestinian Conflict Simona Sharoni,1994-12-31 Simona Sharoni's innovative approach to the conflict in the Middle East stresses the relationship between gender and politics by illuminating the daily experiences of women in Israel and in the occupied West Bank and Gaza Strip. Among the issues explored are the connections between the violence of the conflict and the escalation of violence against women, the link between militarism and sexism and the role of nationalism in building individual and collective identities. Sharoni also shows the impact of Intifada, the Palestinian uprising in December 1987, on the Palestinian and Israeli women's movements. While women's coalitions such as these are critical subjects in and of themselves, the actions of marginalized women are rarely if ever given serious treatment in the study of international relations. With this book, Sharoni creates an aperture for the emergence of new perspectives and alternative methods in the development of a new vision in global politics and gender equality. The interdisciplinary scope of the book will make it valuable to scholars of political science, women's studies, conflict resolution and Middle East studies.

[Israel & Palestine Political Report](#), 1987

Reconstructing the Civic Amal Jamal,2020-08-01 Reconstructing the Civic examines the civic activism of the homeland Palestinian minority in Israel. Employing a multi-methodological and empirically rich approach, Amal Jamal blends historical description with interviews of Palestinian elites drawn from a diverse range of civil society groups such as NGOs, youth movements and religious organizations. He also critiques the failure of Western liberal scholarship to account for the experience of minority civil society organizations in illiberal social and political contexts, largely because this literature assumes there is an inherent relationship between civil society and democracy. Jamal places an important spotlight on the complex interplay between liberal and illiberal trends in the emergence, organization and transformation of Palestinian civil society in Israel as well as the need to introduce an alternative ethical model that aims to reconstruct ethnic states in universal civic terms.

Palestinian and Israeli Environmental Narratives Stuart Schoenfeld,2005

Transnational Activism and the Israeli-Palestinian Conflict M. Hallward,2013-11-26 This book examines the polarization of positions surrounding the transnational boycott, divestment and sanctions BDS movement aimed at ending the Israeli occupation. The author compares four US-based case studies in which activists for and against BDS struggle over issues of identity, morality, legitimacy and conceptions of peace.

[Decolonising the Everyday](#) Nijmeh Ali,2026-09-22 Why Palestinians resist a vital intervention in global movements resisting state violence, settler colonialism and the erasure of Indigenous life. Ali shines a light on a neglected front of Palestinian resistance: the lives and struggles of Palestinians inside the Israeli state. While global attention focuses on Gaza and the West Bank, Dr Nijmeh Ali centres third-generation Palestinian citizens of Israel activists who refuse erasure from within the heart of the settler colonial system. Through intimate interviews and grounded theory, Ali redefines Sumud as a radical everyday practice of survival, dissent and political clarity. These accounts reveal how Palestinians navigate surveillance, censorship, apartheid policies and internal fragmentation while still claiming space, history

and voice More than a book about Palestine Decolonising the Everyday is a vital intervention in global movements resisting state violence settler colonialism and the erasure of Indigenous life written with the urgency and insight of a leading scholar activist ***Our Way to Fight*** Michael Riordon,2011-05-01 The news coming out of the Israel Palestine conflict remains grim The region remains a symbol of instability fueled by violence and hatred In *Our Way to Fight* journalist and author Michael Riordon offers a different perspective exploring the conflict through local Israeli and Palestinian peace activists who break all stereotypes Riordon travels to thousand year old olive groves besieged villages refugee camps checkpoints and barracks talking with people on both sides of the Wall who fight violence and war through creative resistance He uncovers the crises that stirred them to act the risks they face in working for peace and the small victories that sustain them In the face of deepening conflict *Our Way to Fight* is a portrait of courageous grassroots action that provides hope for a livable future and inspiration to peace activists in all nations ***Memory Activism*** Yifat Gutman,2017-04-04 SAGE Memory Studies Journal Memory Studies Association Outstanding First Book Award Honorable Mention 2019 Set in Israel in the first decade of the twenty first century and based on long term fieldwork this rich ethnographic study offers an innovative analysis of the Israeli Palestinian conflict It explores practices of memory activism by three groups of Jewish Israeli and Arab Palestinian citizens Zochrot Autobiography of a City and Baladna showing how they appropriated the global model of truth and reconciliation while utilizing local cultural practices such as tours and testimonies These activist efforts gave visibility to a silenced Palestinian history in order to come to terms with the conflict s origins and envision a new resolution for the future This unique focus on memory as a weapon of the weak reveals a surprising shift in awareness of Palestinian suffering among the Jewish majority of Israeli society in a decade of escalating violence and polarization albeit not without a backlash Contested memories saturate this society The 1948 war is remembered as both Independence Day by Israelis and al Nakba the catastrophe by Palestinians The walking tour and survivor testimonies originally deployed by the state for national Zionist education that marginalized Palestinian citizens are now being appropriated by activists for tours of pre state Palestinian villages and testimonies by refugees ***Academics Against Israel and the Jews*** Manfred Gerstenfeld,2007

Palestinian Youth Activism in the Internet Age Albana S. Dwonch,2019-10-31 Since the Arab uprisings of 2011 Palestinian youth movements have formed unofficial and leaderless networks of political activism using the internet to mobilise and bring together three generations of Palestinian activists This book focuses on three key case studies that have marked a turning point in the development of youth organised and grassroots Palestinian politics the 15 March movement in Gaza the Palestinians for Dignity movement in the West Bank and the Prawer movement of young Palestinians in Israel Drawing on extensive fieldwork composed of interviews with leading Palestinian activists in the West Bank and Gaza and detailed analysis of social media patterns this book offers a fresh reading of Palestinian youth and their central online and offline role in popular protests against both Israeli and Palestinian power structures ***Diasporic Activism in the***

Israeli-Palestinian Conflict Svenja Gertheiss, 2015-12-14 With their homelands at war can Diasporas lead the way to peace or do they present an obstacle to conflict resolution nurturing hate far away from those who actually fall victim to violence And which of these roles do the Jewish and Palestinian diaspora communities play in the Israeli Palestinian conflict

Particularly since the Oslo peace process the search for a solution to the Israeli Palestinian conflict has been strongly contested among Jewish and Arab Palestinian Organizations in the United States Through an analysis of the activities of Arab Palestinian and Jewish organizations on behalf of and towards their conflict ridden homelands Diasporic Activism in the Israeli Palestinian Conflict provides both a detailed picture of diasporic activism in the Middle East as well as advancing theory building on the roles of diasporas in helping or hindering peace Drawing on research into transnational social movements diaspora studies and constructivist International Relations theory this book retraces how this process of diversification occurred and explains why neither the Jewish nor the Arab Diaspora community hold a unified position in the Israeli Palestinian conflict but are each comprised of both hawks and doves Combining theoretical depth and practical orientation this book is a key resource for those working in the fields of Middle Eastern studies Peace and Conflict Studies and Diapora Studies as well as specialists on the ground in Israel Palestine and other conflict settings in which Diaspora communities play a prominent role

The Israeli-Palestinian Conflict Stewart Ross, 2007 Teach Yourself The Israeli Palestinian Conflict is the essential guide for those wanting to understand the complexity of the present conflict in its broader context and from all perspectives

Friends of Israel Hil Aked, 2023-04-18 Friends of Israel provides a forensically researched account of the activities of Israel's advocates in Britain showing how they contribute to maintaining Israeli apartheid The book traces the history and changing fortunes of key actors within the British Zionist movement in the context of the Israeli government's contemporary efforts to repress a rising tide of solidarity with Palestinians expressed through the Boycott Divestment and Sanctions BDS movement Offering a nuanced and politically relevant account of pro Israel actors' strategies tactics and varying levels of success in key arenas of society it draws parallels with the similar anti boycott campaign waged by supporters of the erstwhile apartheid regime in South Africa By demystifying the actors involved in the Zionist movement the book provides an anti racist analysis of the pro Israel lobby which robustly rebuffs anti Semitic conspiracies Sensitively and accessibly written it emphasises the complicity of British actors both those in government and in civil society Drawing on a range of sources including interviews with leading pro Israel activists and Palestinian rights activists documents obtained through Freedom of Information requests and archival material Friends of Israel is a much needed contribution to Israel Palestine related scholarship and a useful resource for the Palestine solidarity movement

Palestinian Activism In Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Palestinian Activism In Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Palestinian Activism In Israel has opened up a world of possibilities. Downloading Palestinian Activism In Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Palestinian Activism In Israel has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Palestinian Activism In Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Palestinian Activism In Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Palestinian Activism In Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Palestinian Activism In Israel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Palestinian Activism In Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Palestinian Activism In Israel is one of the best book in our library for free trial. We provide copy of Palestinian Activism In Israel in digital format, so the resources that you find are reliable. There are also many eBooks of related with Palestinian Activism In Israel. Where to download Palestinian Activism In Israel online for free? Are you looking for Palestinian Activism In Israel PDF? This is definitely going to save you time and cash in something you should think about.
