*FACTORY MANUALS* Floyd Clymer, 2025-10-18 202 pages and profusely illustrated with more than 370 illustrations

diagrams and charts size 8 250 x 10 750 inches This manual is a compilation of 4 original factory publications making it possibly the most comprehensive manual ever published for the 1971 to 1977 Suzuki GT750 Series The 4 factory publications included are as follows 1 GT750 Engine Manual This manual includes comprehensive general data information and covers the overhaul and maintenance of the major mechanical items including the engine clutch transmission lubricating system cooling system fuel system exhaust system engine electrical system plus engine tune up procedures 100 pages published July 1972 2 GT750 Service Guide While there is some duplication of the information found in the Engine Manual above the

Service Guide provides additional adjustment maintenance repair and overhaul information for those mechanical items not included in the Engine Workshop Manual 36 pages published November 1971 3 GT750 Supplemental Disc Brake Manual This manual includes repair and maintenance information for the 1973 GT750K and later models equipped with a front disc brake This information is not included in either the Engine Manual or the Service Guide 26 pages published September 1974 4

GT750 Supplemental Carburetor Manual This manual includes repair and maintenance information for the 1974 GT750L and later models equipped with the Mikuni BS40 Type Carburetor This information is not included in either the Engine Manual or the Service Guide 18 page extract published February 1974 Also please note that the text in these original Suzuki manuals was translated from Japanese into English Consequently some of the phrasing grammar punctuation and word usage may be subtly different from that commonly used in the English language However the information as presented is readily

understandable In addition while we have done our best to identify any anomalies errors and incorrect spelling that may have occurred during the original translation process we are certain that we will have missed one or two and we request your indulgence in ignoring them VelocePress.com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product We encourage you to exercise caution when purchasing a manual for your motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound or ring bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished

In addition they are often advertised for the incorrect series and or model years With more than 250 titles in print VelocePress is one of the fastest growing specialty automobile and motorcycle publishing companies in the USA Please visit our website at [www.VelocePress.com](http://www.VelocePress.com) for more information on our company and our books *Clymer Suzuki DR250-350, 1990-1994* Penton Staff, 1994-03-01 With the help of the Clymer Suzuki DR250 350 1990 1994 Repair Manual in your toolbox you will be able to maintain service and repair your motorcycle to extend its life for years to come Clymer manuals are very well known for their thorough and comprehensive nature This manual is loaded with step by step procedures along with detailed photography exploded views charts and diagrams to enhance the steps associated with a service or repair task This Clymer manual is organized by subsystem with procedures grouped together for specific topics such as front suspension brake system engine and transmission It includes color wiring diagrams The language used in this Clymer repair manual is targeted toward the novice mechanic but is also very valuable for the experienced mechanic The service manual by Clymer is an authoritative piece of DIY literature and should provide you the confidence you need to get the job done and save money too
