Emmy Award Winning Nighttime Television Shows, 1948-2004 Wesley Hyatt, 2015-09-11 Since the early days of television well before most households had a set the Academy of Television Arts and Sciences has been handing out honors for the industry's best efforts Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners Beginning with the heated charade contest known as Pantomime Quiz which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949 each of more than 100 winning shows gets star treatment with an entry that includes the year of award or awards air times hosts guests casts and a full discussion of the show's history and run Many of the entries include original interviews with cast or crew members With such rich information each show's entry constitutes a chapter in the history of television through the story of the show and the people who made it happen The best of variety drama game shows comedies adventures and many more categories are featured An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run longest delay from debut to win and most Emmys won *Emmy*, 2009 **Jet**, 1985-06-24 The weekly source of African American political and entertainment news *Jet*, 1985-06-24 The weekly source of African American political and entertainment news *Jet*, 1985-06-24 The weekly source of African American political and entertainment news **Jet**, 1985 *Grand Prize Winner!* Tracy Sinclair, 1993-10 *Social TV* Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional
