Separation of Powers and Antitrust Vincent Martenet, 2023-10-12 Separation of powers and antitrust deal with power and occupy centre stage in our challenging digital times but their interactions have not yet been analysed This timely and ground breaking book provides an innovative cross disciplinary analysis of the potential convergence of these two fields Notably Vincent Martenet examines the concentration of politico economic power in the hands of a few digital firms which have adopted private regulation impacting an entire industry and society at large He combines doctrinal method with historical developments case studies assessment of legislative proposals and observations on the functioning of digital markets and democracy in the digital era The book sketches important new axes of the separation of powers and suggests that antitrust may contribute albeit in a limited way to greater trust in both society and democracy antitrust for trust the ultimate apparent antitrust paradox

Technology Penny Crofts, Honni van Rijswijk, 2021-04-29 Placing contemporary technological developments in their historical context this book argues for the importance of law in their regulation Technological developments are focused upon overcoming physical and human constraints There are no normative constraints inherent in the quest for ongoing and future technological development In contrast law proffers an essential normative constraint Just because we can do something does not mean that we should Through the application of critical legal theory and jurisprudence to pro actively engage with technology this book demonstrates why legal thinking should be

prioritised in emerging technological futures This book articulates classic skills and values such as ethics and justice to ensure that future and ongoing legal engagements with socio technological developments are tempered by legal normative constraints Encouraging them to foreground questions of justice and critique when thinking about law and technology the book addresses law students and teachers lawyers and critical thinkers concerned with the proliferation of technology in our lives *Billboard* ,2009-10-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
