Scope and impact of digital marketing strategies for promoting breast-milk substitutes ,2022-04-28 Digital technologies are increasingly used for marketing food products throughout the world Although the International Code of Marketing of

Breast milk Substitutes specifies that there should be no advertising or other form of promotion of breast milk substitutes to the general public the Code does not directly address many of the specific strategies used in digital marketing In November 2020 the World Health Assembly requested that WHO review current evidence and prepare a report describing how digital marketing strategies are being used for the promotion of breast milk substitutes This report examines in greater depth the scope techniques and impact of digital marketing strategies for the promotion of breast milk substitutes *Science* John Michels (Journalist),2005 A weekly record of scientific progress **Summary of Legislation Enacted in the Year ... by the ...
