**The Two But Rule** John Wolpert, 2023-12-04 Revitalize your team's creativity and overcome negativity with this inspiring guide to building unstoppable momentum for your transformative ideas. In today's high stakes world of R&D and innovation, the difference between a groundbreaking idea and a stagnant project often rests on your team's approach to criticism and opposition. John Wolpert, a seasoned tech innovator, brings you *The Two But Rule: Turn Negative Thinking Into Positive Solutions*, a revolutionary guide to turning skepticism into a powerful catalyst for innovation. In *The Two But Rule*, veteran tech innovator John Wolpert delivers an exciting hands-on guide to using the principles of Momentum Thinking to get you and your organization unstuck. You'll learn how to build unstoppable velocity for your big idea, product, or strategy as you blast through the endless objections and counterarguments that bedevil every innovator and changemaker. Momentum Thinking offers a lifeline for leaders whose teams are trapped in counterproductive criticism cycles, offering a refreshing, easy-to-understand and engaging alternative to the toxic positivity that plagues so many organizations. You'll discover how to address criticisms like "But that's too expensive" or "But that won't work" and use them to refine your idea and polish it into a gem worthy of attention and implementation. In the book, you'll also find Innovative Problem Solving Strategies, Learn how to convert team criticism into innovative solutions and opportunities, Tips for Countering Toxic Positivity, Navigate beyond blind optimism to embrace diverse perspectives, enhancing problem solving, Engaging and Practical Advice, Implement the intoxicatingly fun Two But Rule for immediate positive impact on your team dynamics, Ways to Encourage Innovation at Any Level, Foster a culture of positive contribution and creative momentum, whether you're managing a small team or leading a large organization. Designed for managers seeking to enhance their team's creative processes, executives navigating complex challenges, or any team member striving to contribute positively without being sidelined. *The Two But Rule* will fundamentally change your approach to teamwork and innovation, transform your team's dynamics, and pave the way for breakthrough success in your organization.

**Drinking from Graveyard Wells** Yvette Lisa Ndlovu, 2023-03-07 Even in death, who has ownership over Black women's bodies? Questions like this lurk between the lines of this stunning collection of stories that engage with African women's histories, both personal and generational. Their history is not just one thing; there is heartbreak and pain, and joy and flying and magic, so much magic. An avenging spirit takes on the patriarchy from beyond the grave. An immigrant woman undergoes a naturalization ceremony in an imagined American state that demands that immigrants pay a toll of the thing they love the most. A first-generation Zimbabwean American woman haunted by generational trauma is willing to pay the ultimate price to take her pain away, giving up her memories. A neighborhood gossip wakes up to find that houses are mysteriously vanishing in the night. A shapeshifting freedom fighter leaves a legacy of resistance to her granddaughter. In *Drinking from Graveyard Wells*, Yvette Lisa Ndlovu assembles poignantly reflective stories that center the voices of African women charting their own Black history through the ages. Ndlovu's stories play with genre from softly

surreal to deeply fantastical Each narrative is wrapped in the literary eloquence and tradition of southern African mythology transporting readers into the lives of African women who have fought across space and time to be seen Drawing on her own early experiences as a Zimbabwean living under the Mugabe dictatorship Ndlovu's stories are grounded in truth and empathy Ndlovu boldly offers up alternative interpretations of a past and a present that speculates upon the everyday lives of a people disregarded Her words explore the erasure of African women while highlighting their beauty and limitless magic Immersed in worlds both fantastical and familiar readers find themselves walking alongside these women grieving their pain and celebrating their joy all against the textured backdrop of Zimbabwe

**Managerial Economics** William F. Samuelson, Stephen G. Marks, Jay L. Zagorsky, 2022-06-30. Managerial Economics introduces undergraduates, MBAs, and executives to the complex decision problems today's managers face, providing the knowledge and analytical skills required to make informed decisions and prosper in the modern business environment. Going beyond the traditional academic approach to teaching economic analysis, this comprehensive textbook describes how practicing managers use various economic methods in the real world. Each chapter opens with a central managerial problem, challenging readers to consider and evaluate possible choices and concludes by reviewing and analyzing the decision through the lens of the concepts introduced in the chapter. Extensively updated throughout this International Adaptation makes use of new central managerial problems and case studies from across the world to discuss the foundational principles of managerial economics, illustrate key concepts, and strengthen students' critical thinking skills. Favoring practical skills development over complicated theoretical discussion, the book includes mini problems and spreadsheet problems that reinforce students' quantitative understanding without overwhelming them with an excessive amount of mathematics.
