Mody,

Jr., 2019-07-10 This book teaches medical coding for anesthesia and pain management. It will prepare the reader for passing the Certified Anesthesia and Pain Management Coder CANPC exam as well as improving their professional practice. The book goes beyond the concepts and applications that are required to pass the exam. It provides critical insights into actual scenarios faced by coders in the real world. 70 unique cases are presented that will highlight the correct coding method. These give the reader practice in applying principles to actual patient cases. The author's unique formula allows the reader to arrive at the best coding decision for the most complex patients. Each case is discussed from a clinical viewpoint to explain the coding rational. This book is both an invaluable asset for anyone working towards a CANPC exam but also serves as a useful reference for those currently holding the certificate.

Medical Coding Success

Lewis Morris, 2018-10-15 Now you can instantly improve your score on the Medical Coding Exams. Ever wonder why learning comes so easily to some people? This remarkable book reveals a system that shows you how to learn faster, easier and without frustration. By mastering the hidden language of the exam you will be poised to tackle the toughest of questions with ease. We've discovered that the key to success on the Medical Coding course and exams lies with mastering the Insider's Language of the subject. People who score high on their exams have a strong working vocabulary in the subject tested. They know how to decode the exam vocabulary and use this as a model for test success. People with a strong Medical Coding Insider's Language consistently perform better on the Medical Coding Exams. Learn faster and retain more information. Feel more confident in their preparation. Perform better in work. Gain more satisfaction in learning. The Medical Coding Success Guide is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long term memory. The Medical Coding Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the Medical Coding Course and Exams. After nearly 20 years of teaching, Lewis Morris discovered a startling fact. Most students didn't struggle with the subject they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research he discovered that for any subject there was a list of essential words that when mastered unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this Insider's Language to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases the books provide an enjoyable break from the
