 Hockey League the major tournaments and other related topics      **Money** ,1974      **Chill Factor** David Paitson,Craig  
 Merz,2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town  
 where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus  
 Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the  
 talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was  
 awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the  
 eyes of team president and general manager David Paitson from the early formation of the minor league franchise through  
 the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both  
 edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local  
 civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and  
 triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of  
 the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to  
 get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember  
 the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as
