Stein was just scraping by in Washington DC when an unusual job interview landed her in the Oval Office as one of Barack Obama's stenographers. She joined the elite team who accompanied the President wherever he went recorder and mic in hand. On whirlwind trips across time zones Beck forged friendships with a tight group of fellow travellers young men and women who like her left their real lives behind to hop aboard Air Force One in service of the President. But as she learned the ropes of protocol Beck became romantically entangled with a colleague and suddenly the political became all too personal. Set against the backdrop of a White House full of glamour drama and intrigue this is the story of a young woman making unlikely friendships getting her heart broken learning what truly matters and discovering her voice in the process.
