Social TV Cory Barker,2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In Social TV Multi Screen Content and Ephemeral Culture author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

challenge political power and hierarchies. They simultaneously create social distortion, hostility and a sense of community. Memes thus not only reflect norms but also work as a tool for negotiating them. At the same time, memes meld symbolic and cultural elements with technological functionalities, allowing for replicability and remixing. This book studies how memes disrupt and reimagine politics in humorous ways. Memes create a playful activity that follows a shared set of rules and gives a shared voice which may generate togetherness and political identities but also increase polarization. As their template travels, memes continue to appropriate new political contexts and to re-negotiate frontiers in the political. The chapters in this book allow us to chart the playful politics of memes and how they establish or push frontiers in various political, cultural and platform specific contexts. Taken together, memes can challenge and regenerate populism, carve out spaces for new identity formations and create togetherness in situations of crises. They can also however lead to the normalization of racist discourses. This book will be of interest to researchers and advanced students of Media and Communication Studies, Information Studies, Politics, Sociology and Cultural Studies. It was originally published as a special issue of the journal *Information, Communication and Society*.

**Social Media** Christian Fuchs, 2024-11-01

You will never look at social media the same way again. Social media are an integral part of contemporary society. From news, warfare, politics, advertising, consumption, entertainment, friendships, labour and economy to friendships, leisure, language and everyday life, they have changed the way we communicate, use information and understand the world. Social media shape and are shaped by contemporary society. In order to understand contemporary society, we have to ask critical questions about social media. This book is the ultimate guide for digging deeper into issues of ownership, power, class and justice. This book equips you with a critical understanding of the complexities and contradictions at the heart of social media's relationship with society. The Fourth Edition contains new chapters and has updated and revised versions of other chapters. The book includes a new chapter on TikTok in the context of global capitalism and the geopolitical conflict between China and the USA. It explores new topics such as information and social media warfare in the context of Russia's invasion of Ukraine, the implications of Elon Musk's acquisition of Twitter for democracy and the public sphere, the prospects of Twitter alternative Mastodon, digital fascism, influencers and the attention economy on TikTok, digital capitalism, the role of big data in digital capitalism, The Public Service Media and Public Service Internet Manifesto, social media's digital alienation and Putinism, and information warfare. It explores populism, racism, nationalism, militant patriarchy in a chapter on right wing authoritarianism on social media, that includes two case studies of Donald Trump and Putinism. It analyses the phenomenon of social media influencers in the age of TikTok, Instagram, YouTube and Snapchat. It explains in an updated chapter what digital capitalism is and what role big data plays in it. It explores the growing prominence of platforms and platform capitalism. It analyses fake news, misinformation and surveillance capitalism in the context of Facebook, WhatsApp, Cambridge Analytica and the Internet Research Agency. It shows why Google is simultaneously the Internet's God and Satan. It discusses digital democracy and the

digital public sphere in the context of Twitter It challenges you to envision and achieve a truly social media that serves the purposes of a just and fair world It introduces platform co operatives and the Public Service Internet There are winners and losers in the age of digital capitalism This book is an essential guide for anyone who wants to critically understand how we got to digital capitalism and capitalist social media what we can do about it and what a democratic public sphere looks like
