## Home Depot Vs:

Getting Even Evelyn Murphy, E.J. Graff, 2006-10-10 In a book sure to explode into public debate *Getting Even* reveals why the wage gap between men and women is not going away on its own      *Bulletproof Problem Solving* Charles Conn, Robert McLean, 2019-03-06 Complex problem solving is the core skill for 21st Century Teams Complex problem solving is at the very top of the list of essential skills for career progression in the modern world But how problem solving is taught in our schools universities businesses and organizations comes up short In *Bulletproof Problem Solving The One Skill That Changes Everything* you will learn the seven step systematic approach to creative problem solving developed in top consulting firms that will work in any field or industry turning you into a highly sought after bulletproof problem solver who can tackle challenges that others balk at The problem solving technique outlined in this book is based on a highly visual logic tree method that can be applied to everything from everyday decisions to strategic issues in business to global social challenges The authors with decades of experience at McKinsey and Company provide 30 detailed real world examples so you can see exactly how the technique works in action With this bulletproof approach to defining unpacking understanding and ultimately solving problems you will have a personal superpower for developing compelling solutions in your workplace Discover the time tested 7 step technique to problem solving that top consulting professionals employ Learn how a simple visual system can help you break down and understand the component parts of even the most complex problems Build team brainstorming techniques that fight cognitive bias streamline workplanning and speed solutions Know when and how to employ modern analytic tools and techniques from machine learning to game theory Learn how to structure and communicate your findings to convince audiences and compel action The secrets revealed in *Bulletproof Problem Solving* will transform the way you approach problems and take you to the next level of business and personal success      *InfoWorld* ,1995-08-07 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects      Big-Box Swindle Stacy Mitchell, 2007-10-01 A Book Sense Pick and Annual Highlight With a New Afterword In less than two decades large retail chains have become the most powerful corporations in America In this deft and revealing book Stacy Mitchell illustrates how mega retailers are fueling many of our most pressing problems from the shrinking middle class to rising pollution and diminished civic engagement and she shows how a growing number of communities and independent businesses are effectively fighting back Mitchell traces the dramatic growth of mega retailers from big boxes like Wal Mart Home Depot Costco and Staples to chains like Starbucks Olive Garden Blockbuster and Old Navy and the precipitous decline of independent businesses Drawing on examples from virtually every state in the country she unearths the extraordinary impact of these companies and the big box mentality on everything from soaring gasoline consumption to rising poverty rates failing family farms and declining voting levels Along the way Mitchell exposes the shocking role government policy has played in the expansion of mega retailers and builds a compelling case that communities

composed of many small locally owned businesses are healthier and more prosperous than those dominated by a few large chains More than a critique Big Box Swindle provides an invigorating account of how some communities have successfully countered the spread of big boxes and rebuilt their local economies Since 2000 more than two hundred big box development projects have been halted by groups of ordinary citizens and scores of towns and cities have adopted laws that favor small scale local business development and limit the proliferation of chains From cutting edge land use policies to innovative cooperative small business initiatives Mitchell offers communities concrete strategies that can stave off mega retailers and create a more prosperous and sustainable future
