

**SET: 4****CARD: 1****INFERENCE****No Meat**

Meat has been a staple of the human diet for centuries. But in recent years, an increasing number of people are choosing to avoid meat for both health and ethical reasons. Vegetarianism is not only better for your health, but it is also more humane and environmentally friendly. There are a variety of reasons why people choose to become vegetarian. For some, it is a personal ethical decision based on the belief that ending an animal's life for food is wrong. Others adopt a vegetarian lifestyle for health reasons. A vegetarian diet has been shown to reduce the risk of heart disease, obesity, diabetes, and some forms of cancer. In addition, vegetarians tend to have lower blood pressure and cholesterol levels than meat-eaters. Vegetarianism is also more environmentally friendly than eating meat. The production of livestock requires large amounts of land, water, and food. This puts a strain on the environment. Whether for ethical, health, or environmental reasons, there are many good reasons to avoid meat.

Decide whether each sentence supports the inference that eating meat hurts the environment.

Select the correct answer in each row.

**SET: 5****CARD: 2****KEY IDEAS****A New Year**

My nerves and worries are mixing,  
 Making for a rough night of sleep.  
 Tomorrow's events are on repeat,  
 It seems I'll be taking a giant leap.

Beginning the year in a new grade,  
 Never before, until now, seems like a novel.  
 New faces, new hallways, new me,  
 I'm doubtful I'll get approval.

My head is wildly spinning,  
 My nerves are literally wheedling havoc.  
 My brain is having a field day,  
 I wish I was somehow just teleported.

I'd be psychic enough to read their thoughts,  
 As I wandered past kids in the hall.  
 I'd be able to react and predict,  
 And I'd somehow better end them all.

The details in the poem support the key idea that the speaker is -

- ☐ A excited to make new friends
- ☐ B upset about switching schools
- ☐ C scared no one will like them
- ☐ D nervous about starting the new school year

Enter your answer in the box.

The poet uses  person point of view in this poem.
