Subject: Financial Aid Appeal Letter

Dear Financial Aid Office,

My name is John A. Doe, and I am currently a sophomore majoring in Economics at the University of Success. I am writing to you today to appeal the financial aid package I have been offered for the 2024-2025 academic year.

I am incredibly grateful for the financial support I have received thus far, as it has allowed me to pursue my academic goals at the University of Success. However, I am facing unexpected financial challenges that were not taken into consideration when my initial financial aid package was determined.

Since the time of my initial application, my family has experienced a series of unforeseen events. My father, who was the primary breadwinner, recently lost his job due to company downsizing, and our family income has decreased significantly. Additionally, my mother has incurred unexpected medical expenses related to a recent surgery, further straining our financial situation. These unforeseen circumstances have significantly impacted our ability to contribute to my education expenses.

I want to emphasize my commitment to my education by maintaining a 3.8 GPA. Despite the financial challenges, I have actively sought out additional opportunities, such as working part-time at a local bookstore, to support myself financially. My dedication to my studies and involvement in the community showcases my determination to succeed despite the obstacles.

In light of these circumstances, I kindly request that the financial aid office reconsider my current financial aid package. I understand the constraints on available funds but believe that a reassessment of my situation may warrant a revision of my aid.

Enclosed, please find recent pay stubs, medical bills, and a letter from my father's former employer confirming his job loss. These documents further substantiate the challenges my family and I are currently facing.

I appreciate your time and consideration in reviewing my appeal. Your assistance will not only alleviate my financial burden but also ensure that I can continue to focus on my academic endeavors at the University of Success.

Thank you for your understanding, and I look forward to a positive resolution.

Sincerely,

John A. Doe
