Inspiring Angel Art of Michael Van Vlymen Angel art This small 8.5 x 8.5 coffee table picture book contains over 40 pieces of original artwork on angels Created to convey a more accurate presentation of God's angels this book will not only inspire you but also makes a great gift for any occasion I created these original pieces of angel art because when I needed to find images of angels for presentations I found precious few that I could actually use My knowledge of angels and their demeanor and appearance compelled me to create images that carried a sense of God's presence and glory Angels are kind yet powerful they are faithful and fearless they are noble and self-sacrificing they are often overwhelming in their presence yet have a compassion and grace about them They reflect the attributes of God They carry His glory as they are always in His presence It was my desire to create a representation of angels that appeared like that description I hope that these works inspire you to think about the fact that God's angels are always with us Michael
