**Obama and the FLOTUS Effect** Heather E. Harris,Kimberly R. Moffitt,2019-10-29 The FLOTUS Effect emphasizes the import of agency on the part of Michelle Obama in relation to her politics as evidenced in her positionality and presence as the first African American woman to serve as First Lady of the United States of America Her occupation of a previously white space and place tended to frame her as an enigma in the American mind and media Contributors reflect on Mrs Obama s eight years in her ceremonial position and the ways she chose to uniquely embody her role Hence the result is a volume that speculates upon her evolving legacy and the likely effects of what it meant to be the first African American woman to serve in the ceremonial yet powerful role of FLOTUS

Executive via flash powder and selfie sticks Lincoln s somber portraits Lyndon Johnson s swearing in George W Bush s reaction to learning about the 9 11 attacks Photography plays an indelible role in how we remember and define American presidents Throughout history presidents have actively participated in all aspects of photography not only by sitting for

photos but by taking and consuming them Cara A Finnegan ventures from a newly discovered daguerreotype of John Quincy Adams to Barack Obama's selfies to tell the stories of how presidents have participated in the medium's transformative moments. As she shows, technological developments not only changed photography but introduced new visual values that influence how we judge an image. At the same time, presidential photographs as representations of leaders who symbolized the nation sparked public debate on these values and their implications. An original journey through political history, *Photographic Presidents* reveals the intertwined evolution of an American institution and a medium that continues to define it.

*First Lady Florence Harding* Katherine Amelia Sibley, 2009 Turning to primary sources others have overlooked, Sibley challenges the clichés about Florence Harding's time in the national spotlight. She describes her support for racial equality, lobbying for better treatment for veterans and female prisoners and her lifelong interest in preventing animal cruelty.
