Make Up Michelle Phan, 2014-10-21 Michelle Phan has believed in makeup since the first time she was allowed to try eyeliner. When she looked in the mirror and saw a transformed version of herself looking back, she fell in love with the sense of confidence that makeup could give her. Ever since she posted her first makeup tutorial on YouTube, she has dedicated herself to inspire millions by using makeup as a tool for transformation and self-expression. Now Michelle has compiled all of her best wisdom into *Make Up Your Life: Guide to Beauty, Style, and Success Online and Off*. From creating a gorgeous smoky eye to understanding contouring to developing an online persona, Michelle has advice to help you transform every facet of your life. *Make Up* is packed with Michelle's trademark beauty and style tutorials, stories, and pictures from her own life and advice on the topics she is asked about most, including etiquette, career, entrepreneurship, and creativity. From the everyday, such as how to get glowing skin, to the big picture, such as how to turn your passion into a profession, *Make Up* is a practical and empowering resource to help anyone put their best face forward. **The Subscription Boom** Adam

Levinter, 2019-10-08 In this clear and informed guide to the business model that's set to dominate twenty-first century commerce, Adam Levinter makes a compelling case that the phenomenal success of companies like Amazon, Netflix, Spotify, and Salesforce wouldn't be possible without the foundation they all have in common: subscription. A surge of subscription boxes in 2012 earned buzz for offering everything from razors to meal kits to underwear. Since then, the model has proven to be adaptable, profitable, and resilient, even as many traditional retailers struggle to stay relevant in the digital economy. Levinter takes a close look at the leaders of the subscription economy to pinpoint the essential elements of the model and prove that while the basic concept may be as old as magazines, the ubiquity of the internet is enabling a new way for businesses to scale and succeed. *The Subscription Boom* shows that the appeal to both customers and businesses makes subscription a smart play for virtually any business.
