

## Morning Work- The Last 90 Days

This workshop will support students in developing confidence, capability, and independence using skills such as skills at the time. When using these skills in real-life situations, students will build social communication skills, learn how to investigate real-world situations, and reflect on their own abilities, choices, and goals.

Each daily page includes a short, realistic conversation, comprehension questions, social interaction, functional math, functional reading and writing practice, and journaling prompts that encourage independent, or in small groups. Whether you're starting the school day, transitioning between activities, or using it as a daily filler, there's a valuable life lesson hidden in every page.

Wolfram Alpha
