*Diaries of the Dark Side* Cassidy O'Connor, 2011-07 Young Cassidy O'Connor was an avid researcher of the supernatural When she found herself involved in a case that was unlike any other however she was forced to open her eyes With the introduction of young Matthew into her life she began to realize this was not a normal haunting This was something very different this was evil Cassidy dug through layers of historical events and learned how the past can always come back to haunt you Combining history with folklore she discovered that what tormented Matthew and his family was not a ghost or a simple whisper but something out of Hell itself This is a true first person account from the woman who aided that family over a three year period Not even medical diagnoses hospitals or the legal system could explain what plagued Matthew but Cassidy without any experience of the demonic had to prepare herself for the fight This story is a warning to those who believe that the world of the demonic is something to toy with It is a warning to those who feel that fame and fortune can come from entering that forbidden world

**Muffins After Magic** Christine Pope, 2022-05-24 When a witch changes lanes without signaling the result is magical mayhem It's not a date At least that's what Skye O'Malley tells herself when A-list actor Max Sullivan invites her to their hometown's annual harvest festival He's just grateful she helped him clear his name of murder charges that's all It's a friendly platonic outing as innocent as a batch of pumpkin chocolate chunk muffins Until they make a grisly discovery in the corn maze A dead body And not just any dead body it's the town's mayor The last thing Skye needs is to get tangled up in another murder case especially considering her unreliable psychic skills But Max has such unwavering faith in her potential she reluctantly consults her tea leaves Which show her nothing but good luck symbols Maybe it's time to push her boundaries a little However consulting YouTube for spellcasting how-to videos probably wasn't Skye's best choice Because not only does she now have a highly annoyed talking cat to deal with a murderer has taken notice of her activities And will stop at nothing to remind her she should have stayed in her own lane KEYWORDS witch psychic medium telepath movie star hero actor hero celebrity hero small town romance small town mystery opposites attract slow burn romance cozy mystery cozy witch mystery coffee shop kitchen witch
