Handbook of Research on Reading Comprehension, Second Edition Susan E. Israel, 2017-01-02 This edition provides a transformative snapshot of reading comprehension as a field of study at a seminal moment It maintains the same high level of standards with respect to 1 historical perspectives useful for laying the foundation of study on reading comprehension 2 theoretical perspectives that allow the reader to consider different views on how specific areas have evolved since the first edition 3 excellent chapters on various elements of reading comprehension including major research studies in assessment cultural impacts of reading comprehension issues affecting English language learners and consideration of international populations and 4 identification of future research needs to help raise important questions and stimulate possible hypotheses for future research

Shifting the Balance, Grades 3-5 Katie Cunningham, Jan Burkins, Kari Yates, 2023-10-10 In this much anticipated follow up to their groundbreaking book *Shifting the Balance* 6 Ways to Bring the Science of Reading into the Balanced Literacy Classroom authors Jan Burkins and Kari Yates together with co author Katie Cunningham extend the conversation in *Shifting the Balance* Grades 3 5 6 Ways to Bring the Science of Reading into the Upper Elementary Classroom This new text is built in mind specifically for grades 3 5 teachers around best practices for the intermediate classroom *Shifting the Balance* Grades 3 5 introduces six more shifts across individual chapters that Zoom in on a common but not as helpful as we had hoped practice to reconsider Untangle a number of misunderstandings that have likely contributed to the use of the common practice Propose a more science aligned shift to the current practice Provide solid scientific research to support the revised practice Offer a collection of high leverage easy to implement instructional routines to support the shift to more brain friendly instruction The authors offer a refreshing approach that is respectful accessible and practical grounded in an earnest commitment to building a bridge between research and classroom practice As with the first *Shifting the Balance* they aim to keep students at the forefront of reading instruction

Handbook of Research on Challenging Deficit Thinking for Exceptional Education Improvement Williams, Richard D., 2022-01-14

Exceptional education also known as special education is often grounded within exclusive and deficit mindsets and practices Research has shown perpetual challenges with disproportionate identification of culturally and linguistically diverse students especially Black and Indigenous students Research has also shown perpetual use of inappropriate placement in more restrictive learning environments for marginalized students often starting in Pre K Exceptional education practitioners often engage in practices that place disability before ability in instruction behavior management identification and use of related services and educational setting placement decisions These practices among others have resulted in a crippled system that situates students with exceptionalities in perceptions of deviance ineptitude and perpetuate systemic oppression The *Handbook of Research on Challenging Deficit Thinking for Exceptional Education Improvement* unites current theory and practices to communicate the next steps to end the current harmful practices and experiences of exceptional students

through critical analysis of current practices mindsets and policies With the information this book provides practitioners have the power to implement direct and explicit actions across levels to end the harm and liberate our most vulnerable populations Covering topics such as accelerated learning educator preparation programs and intersectional perspectives this book is a dynamic resource for teachers in exceptional education general teachers social workers psychologists educational leaders organizational leaders the criminal justice system law enforcement agencies government agencies policymakers curriculum designers testing companies current educational practitioners administrators post grad students professors researchers and academicians *Language and Literacy Learning in Schools* Elaine R.
