[Understanding Social Media](#) Damian Ryan, 2015-04-03

Understanding Social Media is the essential guide to social media for students and professionals alike. Drawing on the experience, advice and tips from dozens of digital marketers and social media superstars, it is an extensive, crowd-sourced guide to social media platforms. Illustrated throughout with case studies from both successful and failed campaigns.

Understanding Social Media democratizes knowledge of social media and promotes best practice, answering questions such as: How do you create a compelling social media campaign? How do you build and engage with an audience? and Where is the line between online PR and social media drawn? It is the most comprehensive and practical reference guide to social media available.

Collaborative Capitalism in American Cities Rashmi Dyal-Chand, 2018-05-10. Develops a theory of collaborative capitalism that produces economic stability for businesses and workers in American urban cores. **Überland** Alex Rosenblat, 2018-10-23. Silicon Valley technology is transforming the way we work and Uber is leading the charge. An

American startup that promised to deliver entrepreneurship for the masses through its technology Uber instead built a new template for employment using algorithms and Internet platforms Upending our understanding of work in the digital age Uberland paints a future where any of us might be managed by a faceless boss The neutral language of technology masks the powerful influence algorithms have across the New Economy Uberland chronicles the stories of drivers in more than twenty five cities in the United States and Canada over four years shedding light on their working conditions and providing a window into how they feel behind the wheel The book also explores Uber's outsized influence around the world the billion dollar company is now influencing everything from debates about sexual harassment and transportation regulations to racial equality campaigns and labor rights initiatives Based on award winning technology ethnographer Alex Rosenblat's firsthand experience of riding over 5 000 miles with Uber drivers daily visits to online forums and face to face discussions with senior Uber employees Uberland goes beyond the headlines to reveal the complicated politics of popular technologies that are manipulating both workers and consumers
