Well-Being of Dental Professionals and Workplace Challenges Fawad Javed, Morenike Oluwatoyin Folayan, 2025-10-31 In the field of dental research addressing professional insecurities and workplace challenges is paramount to fostering a respectful and supportive environment. Dental professionals often face unique challenges including career development hurdles, work-life balance issues, and the risk of workplace harassment. These challenges can significantly impact their personal growth, professional achievements, and overall well-being. Recent studies have highlighted the prevalence of these issues, emphasizing the need for comprehensive strategies to address them. While some progress has been made in understanding the dynamics of professional insecurities and workplace challenges, there remains a significant gap in implementing effective solutions that promote a nurturing and respectful work environment. Current debates focus on the best practices for mentorship, the role of funding and resource management, and the development of policies to prevent workplace harassment. A more in-depth investigation is needed to explore these areas and develop actionable recommendations that can enhance the professional lives of dental researchers. This Research Topic aims to comprehensively examine the multifaceted issues faced by dental professionals, including professional insecurities, workplace challenges, and the prevention of harassment. By exploring these areas, we seek to identify barriers to career advancement, understand the impact of work-related stress, and develop strategies for promoting professional development and well-being. Additionally, we aim to evaluate the role of mentorship, address funding challenges, and create policies to ensure a respectful work environment. Through this exploration, we hope to cultivate a culture of support and inclusivity in dental research. To gather further insights in the realm of dental research and practice, we welcome articles addressing, but not limited to, the following themes: professional development and advancement, identifying barriers and strategies for career progression, work-life balance, and well-being; investigating challenges and promoting optimal well-being; mentorship and support; evaluating mentorship roles and creating supportive networks; funding and resource management; navigating funding challenges; and exploring alternative models for prevention of workplace harassment, promoting awareness, and developing respectful workplace policies.
