**Meditations: a New Translation (Modern Library)** Marcus Aurelius, 2021-01-17 Meditations is a series of personal writings by Marcus Aurelius Roman Emperor 161 180 CE setting forth his ideas on Stoic philosophy Marcus Aurelius wrote the 12 books of the Meditations as a source for his own guidance and self improvement His stoic ideas often involve avoiding indulgence in sensory affections a skill which he says will free a man from the pains and pleasures of the material world He claims that the only way a man can be harmed by others is to allow his reaction to overpower him An order or logos permeates existence Rationality and clear mindedness allow one to live in harmony with the logos **The BUS route to Happiness** Glenn Herbert, 2019-09-16 This is a book about the advice I've read mainly on the bus on how to become a bit happier calmer kinder and wiser and how to get a slightly different perspective on life I'm aiming this advice mostly at my children and I've written this book with them in mind but it's helpful for anyone I cover the wisdom of the Taoists Zen Buddhists and Stoics and then some modern psychology before I move on to some practical advice to increase your happiness based on the philosophies books and articles that I've read The BUS route is an abbreviation of be here now understanding empathy and compassion and shrink desires The book title is a happy coincidence isn't it Throughout history we've had to deal with fear anxiety dissatisfaction uncertainty stress and lack of control Our age is no different I offer ways to cope which includes being more aware of life in the present moment being more compassionate to yourself and others looking at things more positively or realistically looking at the big picture and finding ways to manage your wants This is a light hearted look at how to be a little happier on the metaphorical bus journey of life no matter what bumps in the road you'll find **The Obstacle is the Way** Ryan Holiday, 2014-05-01 OVER ONE MILLION COPIES SOLD 1 Wall Street Journal Bestseller Follow these precepts and you will revolutionize your life Steven Pressfield author of The War of Art A book for the bedside of every future and current leader in the world Robert Greene author of The 48 Laws of Power The Obstacle is the Way has become a cult classic beloved by men and women around the world who apply its wisdom to become more successful at whatever they do The book's many fans include a former governor and movie star Arnold Schwarzenegger a hip hop icon LL Cool J an Irish tennis pro James McGee the World Number 1 golfer Rory McIlroy and the coaches and players of winning teams like English Rugby National Team the New England Patriots Seattle Seahawks and Chicago Cubs The book draws its inspiration from stoicism the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience Stoics focus on the things they can control let go of everything else and turn every new obstacle into an opportunity to get better stronger tougher As Marcus Aurelius put it nearly 2000 years ago The impediment to action advances action What stands in the way becomes the way Ryan Holiday shows us how some of the most successful people in history from John D Rockefeller to Amelia Earhart to Ulysses S Grant to Steve Jobs have applied stoicism to overcome difficult or even impossible situations Their embrace of these principles ultimately mattered more than their natural intelligence talents or luck If you're feeling
