*Awaken to Superconsciousness* Donald J. Walters,2000-01-01 ABOUT THE BOOK Awaken to Superconsciousness provides easy gentle guidance to help beginners quickly feel and benefits of meditation and allows long time practitioners to break through blocks and deepen their experience Drawing upon decades of experience Healing with Life Force, Volume 1—Prana Shivani Lucki,2024-03-01 The power of healing is the property of every individual soul Paramhansa Yogananda's Autobiography of a Yogi helped launch and continues to guide a global spiritual revolution Now for the first time his remarkable healing methods are available for all who seek to awaken within themselves the limited power of Life Force Shivani Lucki's search for Truth led her in 1969 to California and to the teachings of Paramhansa Yogananda She helped found two Ananda communities one in California one in Italy the Life Therapy School for Self Healing and the Ananda Raja Yoga School and co founded the Yogananda Academy of Europe Shivani lived with her husband at the Ananda community near Assisi Italy A Life Force trilogy to guide you in your healing journey Volume One Pranana Life energy is the real and direct healer of all diseases Tap into the inexhaustible source of Life Force to establish perfect harmony between soul mind and body Value Added Exclusive access to online Appendices with a treasure trove of unpublished articles by Yogananda and Kriyananda many available for the first time video instruction guides by the author and more Join the Life Force Healing Community insights inspiration and live sessions at [www.healinglifeforces.com](http://www.healinglifeforces.com) *Revelations of Christ* Paramhansa Yogananda,2007-05-22 This galvanizing book presenting the teachings of Christ from the experience and perspective of Paramhansa Yogananda one of the greatest spiritual masters of the twentieth century finally offers the fresh perspective on Christ's teachings for which the world has been waiting This book presents us with an opportunity to understand and apply the Scriptures in a more reliable way than any other by studying under those saints who have communed directly in deep ecstasy with Christ and God *Two Souls: Four Lives* Catherine Kairavi,2010-10-16 Is it possible that two of the greatest men of the Norman Conquest William the Conqueror and his son Henry I of England have recently reincarnated as Paramhansa Yogananda spiritual master and author of the classic Autobiography of a Yogi and his close disciple Swami Kriyananda and if so what are the subtle connections between the Norman Conquest and modern times How will these past lives influence our future In Two Souls Four Lives Catherine Kairavi describes a society much more primitive than our own in both knowledge and consciousness she depicts the days of William and Henry as having been far more brutal than our own despite the much greater capacity for destruction of modern weaponry Historians will inevitably object that mankind was the same in William's day as it is today For they are intellectual scholars and there is no aspect of human consciousness more disposed to argument than the intellect It is kept vital and alive after all by argument It will probably be other historians who grow up with this new and broader perspective on their subject Catherine Kairavi devoted ten years carefully researching for this book For the rest maybe Paramhansa Yogananda's statement that he himself was William could outweigh for many

readers any doubts and challenges that may be presented to disprove certain statements in this book It is a completely new take on present and future trends in modern society    **Awaken to Superconsciousness** Swami Kriyananda,2008-05-20
