Peter Dodd Cooper, DSc, PhD,2022-08-01 Peter Dodd Cooper s book The New Road and the Paradigm is both a spiritual memoir and a series of scientific articles on his own exploration of the nature of consciousness and of reality itself As a scientist he brings credibility to this book with his credentials from a long and productive scientific career From this vantage point he then explores topics that don t fit into our current materialist paradigm looking deeper to see if he can find more satisfying answers After exploring the mysteries of quantum physics the he concludes his exploration by saying Experiencers tell us that reality is that realm outside Plato s cave where colours are brighter and Oneness with everything is self evident The Everything Guide to Evidence of the Afterlife Joseph M. Higgins,Chuck Bergman,2011-02-14 Is there life after death Or is the end of our physical existence really the end of us In this thought provoking guide you will examine scientific evidence so you can decide for yourself whether or not there is an afterlife Psychic Cop Chuck Bergman and medium Joseph Higgins attempt to answer questions like Does consciousness survive death Is communication possible between the living and the dead Are mediums real or frauds What happens to us during near

death experiences Where do we go when we die Are Heaven and Hell actualities What is life like after death Is reincarnation real and is everyone reincarnated Including an overview of various religious afterlife traditions this guide introduces you to the unlimited possibilities of what we face after our release from the physical world     **Life Is Forever** Susy Smith,1999-12 This is a well documented highly entertaining book giving case histories that prove there is evidence that life is forever The Susy Smith Project at the University of Arizona is at present acknowledged as the source of the Afterlife Codes research but Susy Smith herself had established a reputation as a writer of critical and objective books in the psychic field many years before she established the Survival Research Foundation and evolved the idea of scientific study of the possibility of communication from the dead by codes When writing Life is Forever published originally in 1974 Miss Smith made a comprehensive search of all the literature of the psychic field and chose the best example of each type of experience deathbed vision ghosts with a goal guardian angels possession voice phenomena and all the other curious and interesting means by which dead or dying people managed to provide evidence of their continued existence This important book has been out of print too long It will be welcomed back Visit the Afterlife Codes website of the Susy Smith Project at [www.afterlifecodes.com](http://www.afterlifecodes.com)     **The Case for Heaven** Mally Cox-Chapman,1995 Describes near death experiences what their meanings might be and their relationship to the concept of an afterlife     **Life After Death** Jan W. Vandersande,2008 Renowned physicist Vandersande surveys evidence for an afterlife and finds a lot of the observed physical phenomena both credible and compelling Intended for skeptics and believers alike this text condenses more than 100 years of literature and testimony     **A Lawyer Presents the Evidence for the Afterlife** Victor Zammit,Wendy Zammit,2013 There could be many reasons why you are interested this book Perhaps you are just curious about the afterlife Or perhaps you have experienced the death of a loved one It may be that you have had an out of body experience or a near death experience or another mystical experience Or you may be realizing that we all inevitably have to make the journey to the afterlife one day If you have been trained to respect scientific method you will not just accept tradition or wishful thinking You want something that can be supported by evidence You want highly reliable information as to whether or not we continue to live in the afterlife And you want to know whether it is possible to get a message from your loved ones You want to know that the things people report about the afterlife are real and can be validated You want hard repeatable evidence that no one can rebut You want witnesses scientists professionals and others with the highest credibility You want to feel that the information you are receiving about the afterlife is the truth the whole truth And you may want something that you can share with friends and family members to show that there are good scientific reasons for accepting that there is more to life than the materialists claim This book presents highly convincing evidence amounting to proof for the existence of the afterlife It shows that after investigating the evidence some of the most brilliant men and women scientists and others came to the conclusion that we all survive death The mediums and psychics studied by scientists were of course exceptional They were the best of the best

People should be aware that not all psychics and mediums are developed to this degree and people take care in choosing a medium Over the last ten years an earlier version of this book has been accessed on our website free of charge by more than a million people from all over the world Volunteers who loved the earlier book translated it into Spanish Italian Portuguese Russian Dutch German French and Russian Every day we receive emails from people who say that the material in this book has changed their lives *Afterlife* Josh Peck, Allie Anderson, Donna Howell, 2020-02 Since the fall of mankind death has been an unavoidable element faced by each man and woman who walks this planet For some this subject is the source of great anxiety while others accept this to be a natural part of life For those with a religious belief system convictions therein play a great role in what a person feels can be anticipated when this life is concluded But what does the Bible say on this matter How does one reconcile such elements as the Near Death or Out of Body Experience to his or her religious views Is there really an Afterlife or do we cease to exist when we die In *Afterlife* you will read Real life stories of Near Death and Out of Body experiences as told by those who experienced them What quantum physics quantum consciousness and neuroscience teach us about the manifestation of life after death What it really means to communicate with the dead About the surprising implications made through the Shroud of Turin and how this single artifact could revolutionize your view of religion How ancient cultural and religious views impact what you believe about the Afterlife Where ambiguous phrases such as Abraham's Bosom and Purgatory originated and what they really mean Where tough questions such as If God is such a loving God why does He send people to Hell are tackled The truth about the origins and conditions of Heaven and Hell and how modern deceptions and misconceptions could misdirect where you spend eternity How resurrection proves the existence of God Surprising elements about our future resurrected bodies How to prepare for the Afterlife so that you can live forever

Near-Death Experiences as Evidence for the Existence of God and Heaven: A Brief Introduction in Plain Language J. Steve Miller, 2012-11-01 For some time we've needed a well researched compelling introduction to this exciting field that focuses on the evidence Miller delivers Jeffrey Long MD Reports of near death experiences NDEs are flooding the media with books articles and interviews People describe hovering over their bodies details of their surgeries talking with deceased relatives and reviewing their lives in vivid detail often while their brains should be incapable of producing rational thought or memories While the accounts are no doubt interesting do they provide any solid evidence for the afterlife and the existence of God Miller argues in nontechnical and engaging prose that it does indeed He began his study doubting that NDEs provided such evidence but found himself convinced by the weight of the evidence In this multiple award winning book the reader will explore The common naturalistic explanations for NDEs Evidence that NDEs point to God and heaven The results of 35 years of research into NDEs by doctors and other professionals fully documented for those who want to study further A comparison of NDEs with Christian teachings Recommendations of key books researchers and publications for further study Can we survive death Is there a God or a heaven Miller provides the discerning reader with ample reason to think that the answer to

these all important questions is yes Dr Peter Schaefer Senior Research Psychologist Department of Defense      **Evidence of Eternity** Mark Anthony, 2015-03-08 Combining science theoretical physics physiology and theology Mark Anthony does an amazing job of presenting evidence of an afterlife Dr Raymond Moody author of Life After Life A riveting book that opens your heart and mind to the reality of the afterlife This book is unforgettable and its messages are empowering Read this right now Dr Joe Vitale author of Zero Limits and star of The Secret Discover the enlightening and comforting true stories of Mark Anthony the Psychic Lawyer as he helps people communicate with their loved ones in spirit Evidence of Eternity is an uplifting journey that removes the fear and superstition surrounding spirit contact while addressing poignant questions about the afterlife It provides insights on painful subjects such as crime homicide suicide and survivor guilt By bridging the gap between the spiritual and scientific this groundbreaking book brings spirit communication into the modern era while reaffirming that God and heaven exist the soul is an immortal living spirit and that we will be reunited with our deceased loved ones Evidence of Eternity introduces new and innovative terms and concepts explaining spirit communication based on science theoretical physics physiology theology and evidence From karma and reincarnation to embracing the inner light Evidence of Eternity is a cutting edge perspective of life after death Evidence of Eternity is full of highly evidential fascinating cases and much spiritual wisdom Five stars plus Dr Kenneth Ring author of Lessons from the Light Mark Anthony is exceptionally qualified to write about the afterlife he is a renowned psychic medium and attorney who presents powerful evidence that deceased loved ones can communicate with us The insights are powerful inspiring and could change your life Dr Jeffrey Long author of Evidence of the Afterlife The Science of Near Death Experiences      Afterlife Colin Wilson, 1987-09-16 Is there life after death This is a question that has intrigued mankind since the beginning of history Now the author of The Outsider and The Psychic Detectives assesses the evidence for this widely held and much contested belief From Adam Crabtree's patients who heard voices inside their heads to Elizabeth Kbler Ross on death and dying from Rudolf Steiner and Madame Blavatsky to Kenneth Ring and Raymond Moody Colin Wilson examines theories trends and phenomena in an effort to reach a conclusion to this most perplexing issue Wilson includes hundreds of case histories and anecdotes on topics as diverse as split brain research apparitions telepathy the magic of primitive man precognition out of the body experiences A consciousness and B consciousness vampires the subliminal mind past lives the mystery of multiple personalities and contact with the dead He asks and answers questions on how far we can trust the evidence given by mediums the presence of spirits in madness how we lost our psychic powers why the Victorians were skeptical of the occult can personality survive death are spirit controls subpersonalities and most important What happens after death

**Connection** Brough Perkins, John Topp, 2021-05-24 Connection The Discovery of a Soul System tells the true story of two men brought together through synchronicity who embark on a project to communicate with a mind from beyond our physical world Connection follows Brough Perkins a psychic medium who has appeared regularly in Canadian mainstream media and

paranormal experimenter John Topp as they forge a bond and open the door to a new endeavour in mediumistic contact Through these encounters the reader is given access to extraordinary insights from a non physical entity on the nature of evolution relationships and the spirit realm as well as sketches of a future for humanity as a space travelling race As the relationship develops the voice speaking through Perkins and in dialogue with Topp reveals an identity connecting it to the ancient history of our world

**God and the Afterlife** Jeffrey Long, Paul Perry, 2016-06-28 The New York Times bestselling author presents startling new evidence of God's existence based on the largest near death experience study in history In Evidence of the Afterlife Dr Jeffrey Long laid out a strong scientific case for life after death Now he goes further revealing evidence that a Supreme Being exists and there is amazing consistency in the accounts of what he is like Through his Near Death Experience Research Foundation Dr Long collected more than 4 000 reports from people of diverse backgrounds and religious traditions including nonbelievers who had credible near death experiences Some saw a bright light others went through a tunnel still others experienced a review of their life But many of the accounts shared a remarkably similar description of God a Supreme Being who radiated love and grace Expanding on his analysis begun in Evidence of the Afterlife God and the Afterlife is the first intensive account of the people who have gone to the frontier of heaven met God and returned to share their journey Groundbreaking and profound it provides new insight into the human experience and expands our notions of mortality offering possibility hope and comfort

Beyond Doubt: How My Spirit Guide Gave Me Factual Evidence of My Previous Life on Earth Susan Starkey, 2018-01-30

There is one universal question to which there seems to be no definitive answer what happens to us when we die Many people have their own individual theories different faiths have different beliefs The rest of us we can merely shrug and resign

ourselves to the fact that we can never know the unknowable Just a few years ago Susan Starkey would have felt the same way But following a move to Spain a sequence of astonishing events changed her life dramatically turning her scepticism on its head especially regarding the question of what happens to us when we die Starkey is now convinced that there is a life after death this book reveals her personal experiences and shares the verifiable evidence of her discoveries In this profound story Susan Starkey explains how she uncovered the roots to her past life along with a vast family network that had been lost to her for centuries She shares her ability to contact the Spirit World through a new found ability to communicate through automatic writing Life After Death Beyond Doubt is a remarkable and insightful guide to the afterlife one which will bring comfort to others who may be searching for the answers that Susan Starkey has been given Her work may prove beyond doubt that there is an existence after death and that we never truly die

**Science and the Afterlife Experience** Chris Carter, 2012-08-22 Reveals the evidence of life beyond death Examines 125 years of scientific research into reincarnation apparitions and communication with the dead showing these phenomena are real Reveals the existence of higher planes of consciousness where the souls of the dead can choose to advance or manifest once again on Earth Explains how these findings have been ignored and denied because they are incompatible with materialist doctrines In this book Chris Carter shows that evidence of life beyond death exists and has been around for millennia predating any organized religion Focusing on three key phenomena reincarnation apparitions and communications from the dead Carter reveals 125 years of documented scientific studies by independent researchers and the British and American Societies for Psychical Research that rule out hoaxes fraud and hallucinations and prove these afterlife phenomena are real The author examines historic and modern accounts of detailed past life memories visits from the deceased and communications with the dead via medium and automatic writing as well as the scientific methods used to confirm these experiences He explains how these findings on the afterlife have been ignored and denied because they are incompatible with the prevailing doctrine of materialism Sharing messages from the dead themselves describing the afterlife Carter reveals how consciousness exists outside the parameters of biological evolution and emerges through the medium of the brain to use the physical world as a springboard for growth After death souls can advance to higher planes of consciousness or manifest once again on Earth Carter's rigorous argument proves beyond any reasonable doubt not only that consciousness survives death and continues in the afterlife but that it precedes birth as well
