

MEDJUGORJE

The Message

*On June 24, 1981,
six children in the
mountain village of
Medjugorje
in central Yugoslavia
reported that
the Virgin Mary
had appeared to them
on a hillside.*

*Allegedly
she has been
returning
every day since.*

for the first time here by William A Christian Jr Paolo Apolito completes the inquiry begun in a previous work about how the world of apparitions is constructed and considers the problem of what constitutes this world The author shows how the visionary reality is constructed through the interaction of local symbolic creativity Catholic tradition ecclesiastical authority and the charisma of the seers Apparitions of the Madonna at Oliveto Citra describes the conditions under which people who claimed to be seers gained access to the public and to the media what local elites intervened to filter this process what pilgrims brought to the visions and how the content of the visions converged on the great themes of Marian apocalypics
