

## JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

[Adapted from *The Juice*, January 2020]

### QUESTIONS: TEXT F

- 5.1 Refer to line 1. 1  
Provide a synonymous phrase for 'on many fronts'. (1)
- 5.2 What is the function of the hyphen in 're-evaluate' (line 2)? (1)
- 5.3 Rewrite the following sentence in the passive voice. 1  
'If something or someone doesn't bring you joy, it's pretty pointless carrying on with it' (lines 2–3). (1)
- 5.4 Remove the redundancy in paragraph 1. (1)

## **Memo Of English Paper 2 November 2013:**

Reappraising the Seicento Andrew Cheetham, Joseph Knowles, Jonathan Wainwright, 2014-03-26 Reappraising the Seicento presents new perspectives on some relatively well researched areas of music history and adumbrates some more arcane aspects of the period offered by fledgling scholars and early career researchers in the field of musicology The scope of the title has the potential to warrant a tome on the subject but it is not the intention to provide a comprehensive survey of music in the seventeenth century Instead five essays are presented divided into two sections which represent the research activities of young scholars with an interest in the seicento In the first part of this book compositional procedure in seicento Italy is examined through two different analytical procedures Musical styles and fashions changed considerably throughout Europe in the seventeenth century at the forefront of these changes were Italian composers and performers who found fame and influence in their native countries as well as abroad In the second part of this book the dissemination of Italian music in seventeenth century England and the appropriation and assimilation of contemporary Italian compositional techniques by English composers are considered The phenomenal interest shown in Italian music by English patrons and musicians of the seventeenth century is placed into context and is revealed to be part of a larger historical trend

Trade Policy between Law, Diplomacy and Scholarship Christoph Herrmann, Bruno Simma, Rudolf Streinz, 2015-06-20 This book presents 22 topical contributions on international trade law and policy with a particular focus on EU external trade law addressing countries ranging from Ukraine to Switzerland and the US TTIP and aspects from trade and IPRs to anti dumping The volume constitutes a state of the art treatment of the many facets of trade policy in the 21st century from legal diplomatic and academic standpoints The book is dedicated to the memory of Horst G nter Krenzler former Director General for External Relations for the European Commission and Chief Negotiator for the European Union in many trade negotiations honorary professor of European Union law at the University of Munich and an of counsel with Freshfields Brussels office after retirement from the Commission

Dangerous Allies Malcolm Fraser, Cain Roberts, 2016-04-12 Australia has always been reliant on great and powerful friends for its sense of national security and for direction on its foreign policy first on the British Empire and now on the United States Australia has actively pursued a policy of strategic dependence believing that making a grand bargain with a powerful ally was the best policy to ensure its security and prosperity Dangerous Allies examines Australia s history of strategic dependence and questions the continuation of this position It argues that international circumstances in the world and in the Western Pacific especially now make such a policy highly questionable Since the fall of the Soviet Union the United States has also changed dramatically making it less relevant to Australia and a less appropriate ally on which Australia should rely Malcolm Fraser argues that Australia should adopt a much greater degree of independence in foreign policy and that we should no longer merely follow other nations into wars of no direct interest to Australia or Australia s security He argues for an end to strategic dependence and for the timely establishment of

a truly independent Australia      **Modernisation in EU-Russian Relations: Past, Present and Future** Maxine David, Tatiana Romanova, 2017-10-02 Written as EU Russia relations began their swift decline as a result of the Ukrainian crisis this book examines the nature of these two actors relationship in respect of their Partnership for Modernisation The contributing authors look at modernisation through different lenses applying varying methodologies delivering historical analysis economic analysis levels of analysis debate which brings along transnational transgovernmental and intergovernmental relations and interrelations between the EU and its member states discourse analysis new institutionalism as well as policy analysis The authors each identify the importance of modernisation for Russia demonstrating why despite the current state of relations between Moscow and Brussels modernisation remains relevant for EU Russian relations At the same time the plurality of the chapters shows the complexity of the relationship that will have to be taken into account in order to overcome the current crisis and construct sustainable and mutually beneficial relations      *The Welsh Language Commissioner in Context* Diarmait Mac Golla Chríost, 2016-07-20 it is the first book on the subject much of the research data provides a unique insight to the development of government policy and is exclusive to this book several of the research results are quite striking and will be of great interest to academics and policy actors alike      *Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set)* Union of International Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events      **The English Reports: Ecclesiastical, Admiralty, and Probate and Divorce**, 1921 V 1 11 House of Lords 1677 1865 v 12 20 Privy Council including Indian Appeals 1809 1865 v 21 47 Chancery including Collateral reports 1557 1865 v 48 55 Rolls Court 1829 1865 v 56 71 Vice Chancellors Courts 1815 1865 v 72 122 King s Bench 1378 1865 v 123 144 Common Pleas 1486 1865 v 145 160 Exchequer 1220 1865 v 161 167 Ecclesiastical 1752 1857 Admiralty 1776 1840 and Probate and Divorce 1858 1865 v 168 169 Crown Cases 1743 1865 v 170 176 Nisi Prius 1688 1867      *Annual Report* India.
