the anticipation institution and fulfillment of the New Covenant Dr Benware along with his book by book study of the 27 New Testament books includes a chronological study of the life of Christ a look at political forces and ideologies of the first century Roman world and a glimpse into the inter testamental period To clarify the order and pattern of the New Testament Dr Benware links each epistle to its historical base the book of Acts Thirty helpful charts have been included as well

*Commentary on the New Testament* Robert H. Gundry, 2010-07-01 Verse by verse explanations with a literal translation Shouldn't a Bible commentary clarify what God's Word actually says Going beyond questions of authorship date sources and historicity respected linguist and teacher Gundry offers a one volume exposition of the New Testament that focuses on what is most useful for preaching teaching and individual study what the biblical text really means Providing interpretive observations in a breezy style that's easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings SAMPLE TEXT OF TRANSLATION JOHN'S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1:18-1:3 The beginning of the gospel of Jesus Christ God's Son according as it's written in Isaiah the prophet Behold I'm sending my messenger before your face ahead of you who'll pave your way the road you'll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God's Word SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52:7 Non Jews would think of the good news of an emperor's accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel

Carson, 2020-05-21 With this acclaimed volume in the Pillar New Testament Commentary series Carson explains the text of

John's Gospel to help you minister the Word of God to others either by preaching or by leading Bible studies. The commentary will also deepen your understanding of the Gospel in your own life and worship. Throughout his commentary, Carson does the following: makes clear the flow of the text, focusing on the movement of thought rather than on word studies and Greek syntax; engages a small but representative part of the massive secondary literature on John, providing a kind of map of contemporary studies on this Gospel; draws a few lines toward establishing how John's Gospel contributes to biblical and systematic theology; offers a consistent exposition of John as an evangelistic Gospel. Preceded by a comprehensive introduction treating such matters as the authenticity, authorship, purpose, and structure of the Gospel, this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected. [A Popular Survey of the New Testament](#) Norman L. Geisler, 2008-02-15. Well-known author Geisler offers students of the Bible an introduction to the content, structure, and teaching of the entire New Testament. *A Popular Survey of the New Testament* Norman L. Geisler, 2014-09-09. Uncovering the content, structure, and teachings of the New Testament. Understanding the New Testament is a daunting but exciting task. Our world is so different from that of the first century. The dress, travel, vocation, and custom of biblical characters are all foreign to us. Yet it is important to understand the context and content of the New Testament if we are to be faithful followers of Jesus Christ. *A Popular Survey of the New Testament* is designed to help ordinary people enrich their understanding of New Testament people and events. It addresses many questions that readers of the Bible may have, such as: Who wrote the books of the New Testament, and to whom were they writing? When were these books written, and why? How can a warning about first-century Gnostics help Christians today? What can today's believers get out of a letter about a slave returning to his master? How can we understand difficult passages in the New Testament? Written in an easy, informal style, this survey is accessible and enjoyable to anyone who wants to better understand the New Testament. **New Bible Survey** J. Lawrence Eason, 1983-07.
