New Testament Exposition:

The Bible Exposition Commentary Warren W. Wiersbe, 2003 With this final installation in this six volume set Dr Wiersbe has covered the entire Bible New Testament Exposition Walter L. Liefeld, 1989-06-13 Expository preaching is an elusive ideal Many preachers aspire to it few are acknowledged masters For most a gap exists between the sermon that addresses the needs of the hearers and one that methodically plumbs the depths of Scripture New Testament Exposition is written to bridge this gap and bring together the disciplines of preaching and exegesis In this book Liefeld addresses the three main concerns of expository preaching What is the text saying How can its message be communicated in ways that are appropriate to the passage the seeing and the goals of the sermon How can the message meet the real needs of the congregation in a way that is consistent with the purpose and function of the text This book demonstrates how these concerns can be brought together in a sermon and it is this thoughtful practical approach that makes the book so valuable to preachers and seminarians The book is divided into three parts Part I explores the characteristics of expository preaching Part II deals with preparing the text and addresses such areas as practical exegesis exegetical outlines narratives and compositional patterns semantic patterns and underlying assumptions of the text Part III discusses application of the text by asking What is the function of the text What are the needs of the congregation How can one preach to inner heart needs as well as to the external circumstances facing the congregation New Testament Exposition is not vague theory nor is it esoteric study beyond the grasp and time of the busy pastor Throughout the book Dr Liefeld reflects his experience in the classroom and pulpit and his concerns as scholar and pastor are clearly seen in the final chapters of this volume Chapter 9 examines preaching from difficult texts How might one handle parables miracle stories obscure passages culturally related texts The final chapter provides a demonstration of all that is discussed throughout the book by walking the road through the actual preparation for a sermon **New Testament Exposition** Walter L. Liefeld, 1984 This study examines some key approaches to ecumenical social ethics in the past century as expressed in the thought of Walter Rauschenbusch Reinhold Niebuhur and the World Council of Churches The author argues that unless Christians are clear about the ways that theology and philosophy relate to one another and work themselves out in our practical commitments we will lose the ability to discuss social ethics as individuals and churches let alone reach effective arguments An Exposition of the New Testament ... Minear,2004-01-01 Long regarded as one of the premier theologians of the New Testament Paul Minear has inspired generations and influenced the path of biblical scholarship The Kingdom and the Power represents Minear s most thorough exposition of the New Testament message spanning the range of genres and theologies within the biblical record In clear prose Minear sets forth the heart of the early church s proclamation and shows its enduring relevance for the modern church *The biblical treasury of expositions and illustrations. Old Testament ser* ,1884 **The Branch Exposition of the Bible, Volume 1** Michael A. Eaton,2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture An exposition of the New Testament [from An exposition on the Old and New Testament] with a preface by C.H.
