## **New Thought A Practical American Spirituality Revised Edition:**

**New Thought** C. Alan Anderson, Deborah G. Whitehouse, 2003-03 This book introduces New Thought a more than a century old movement dedicated to the healing of body pocketbook and interpersonal relationships through persistent positive thinking and the acceptance of one's indwelling divinity New Thought applies religious beliefs to solve the problems of daily living Based largely on teachings from the Bible it also incorporates Eastern wisdom and psychological principles It is practical spiritual and distinctly American The authors provide historical background philosophical perspective and new understanding New Thought fulfills the contemporary hunger for a spirituality that promotes both the practice of the presence of God and health wealth and happiness here and now This book is for everyone who wants to go deeper than most popular writing on spirituality and self improvement much of which is indebted to New Thought New Thought still is evolving it may yet be the point at which religion philosophy and science come together as the most effective combination to move the world to greater peace plenty health and harmony Whether you accept New Thought or reject it it is important to learn more about what New Thought is where it came from how it is evolving and how to use it if you wish These topics are what this book is about

**New Thought** C. Alan Anderson, Deborah G. Whitehouse, 1995 This book introduces New Thought a more than a century old movement dedicated to the healing of body pocketbook and interpersonal relationships through persistent positive thinking and the acceptance of one's indwelling divinity It will be an eye opener for the millions of people who are drawn to New Thought but have not yet named it

The World's Greatest Religious Leaders Scott E. Hendrix, Uchenna Okeja, 2018-03-01 This book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet Religious leaders have shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures' lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research
