**Hospice Administration Manual** Jean C. Syer, Emilie Deady, 2003

All hospices must have a current manual of policies and procedures, not only essential to the management and administration of a hospice organization but to enable organizations to comply with regulatory and/or accreditation standards. As hospice organizations emerge and grow in this decade, they will need a current, comprehensive, and customizable hospice administration manual. The **Hospice Administration Manual** is written in a policy format commonly used in health care organizations and includes 135 policies and procedures. In addition, it includes a CD ROM that includes all policies and procedures in the Manual and a policy constructor to assist agencies in preparing new policies and procedures in the correct format. Includes 135 policies and procedures divided into two sections: Organizational Policies and Patient Service Policies. Written in a policy format commonly used in health care organizations. Addresses and cross-references all regulatory and accreditation standards for major governing organizations: Joint Commission on Accreditation of Health Care Organizations (JCAHO), Community Health Accreditation Program (CHAP), National Hospice and Palliative Care Organization (NHPO), and Medicare Conditions of Participation. Includes a CD ROM containing all policies and procedures from the Manual plus a policy constructor to assist agencies in preparing new policies and procedures in the correct format.
