**The Buried Knight** Angela Laverghetta,2023-07-21 My name's Imogen Wylde museum intern and recent inheritor of Wylde Retirement Home. I've spent my entire life pretending I don't see the fae and ghosts but that doesn't mean they don't see me. Over 1 000 years ago the veil between the faerie and human realms was sealed by Excalibur and the knight buried with it. Now Excalibur is missing, the veil is unlocked and some of faerie's most threatening denizens have entered our world. The sword needs to be found so the veil can be closed once again. At least that's the story the mysterious stranger who showed up at my work told me right after he attempted to steal a priceless artifact. Turns out he also might be a vampire and Lancelot. Now I'm thrust into the world I've tried so hard to ignore. Carson City, Nevada just got a whole lot weirder. And more dangerous.

**Dottir** Katrin Davidsdottir, Rory McKernan, 2019-08-06 Davidsdottir maps out how she was named the games Fittest Woman on Earth two years in a row in this breezy yet high impact memoir inspiring Publishers Weekly.

As one of only two women in history to have won the title of Fittest Woman on Earth twice, Davidsdottir knows all about the importance of mental and physical strength. She won the title in 2015, backing it up with a second win in 2016 after starting CrossFit in just 2011. A gymnast as a youth, Davidsdottir wanted to try new challenges and found a love of CrossFit.

But it hasn't been a smooth rise to the top. In 2014, just one year before taking home the gold, she didn't qualify for the Games. She used that loss as motivation and fuel for training harder and smarter for the 2015 Games. She pushed herself and refocused her mental game. Her hard work and perseverance paid off with her return to the Games and subsequent victories in 2015 and 2016.

In **Dottir**, Davidsdottir shares her journey with readers. She details her focus on training, goal setting, nutrition and mental toughness. Katrin became a champion by choice and her story highlights what I believe above all things: That there is no magic pill. There are no superior genetics. There are no shortcuts. There is only hard work. And hard work pays off. Mat Fraser, three-time defending Fittest Man on Earth. From childhood gymnastics to the CrossFit Games podium, Katrin provides tangible and relatable stories about reframing failure, striving for greatness, evolving your mindset and chasing your dreams.
