God's "Good Morning" Betty Raymond Gubler, 2023-05-03 The manuscript of *God's Good Morning* is just what the subtitle claims It is a retelling of my spiritual journey raising an autistic son who is now fifty four years old Our son lives at home with his parents and will do so until my

husband Greg and I become incapable of parenting him due to old age or our passing at which time our son will live with his sister Thus this relationship is a lifelong commitment This manuscript is a story of the growth of faith hope and love My intention of writing such a manuscript is that of my desire to share with other parents of a special needs child my experiences dealing with this daunting challenge This is not a clinical manuscript but rather a manuscript of personal growth from shock despair and discouragement to acceptance peace and joy and reveals the miraculous healing of my broken spirit Although this manuscript is written for parents of special needs children it would also be found inspiring by a general audience of readers
