Nice Lesbian Love Addiction Understanding Things:

Lesbian Love Addiction Lauren D. Costine, 2015-11-05 Everyone makes mistakes in relationships at one time or another. Sometimes they learn from those mistakes. Other times they return to those behaviors and cycle through failed relationships. Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy, unfulfilled, lonely, or worse. *Lesbian Love Addiction: Understanding the Urge to Merge and How to Heal When Things go Wrong* makes visible the elements of love addiction that many lesbians suffer from. Love addiction for lesbians comes in many forms. Some struggle by sexually acting out, and others are serial relationship junkies jumping from one relationship into the next. Some are addicted to the high of falling in love, and once that wears off, don't know how to handle the day-to-day realities of a committed relationship. Some are even addicted to fantasy and intrigue, while others are love avoidants and sexual anorexics. Love avoidants may be able to get into a relationship, but once they are fully committed, struggle with feeling smothered. Others may avoid intimate or sexual relationships altogether, becoming sexually anorexic. Some may even vacillate between all of these. The underlying component and common denominator in all of these scenarios is the Urge to Merge. *Lesbian Love Addiction* is designed to help ameliorate at least part of this problem. Lauren D. Costine offers insight for lesbians, bisexual women, in relationships with women, queer women, and more specifically, any woman who loves women, as well as their family and friends, and health care professionals, into the psychology of lesbian love addiction. It will give those who struggle with and suffer from love addiction ways to understand, cope, and heal from this debilitating addiction. It will give those who work with this population new tools to use to do this more effectively. Mostly, it will help lesbians understand their relationship failures and how to heal from problems associated with them, so they may grow and cultivate happier, more fulfilling connections in the future.

Now that You're Out of the Closet, what about the Rest of the House? Linda Handel, 1998. Opening the door to a consistent, mature lifestyle is a difficult task for most of us, but especially for gays and lesbians living in a heterosexual world. A witty, helpful book that offers solid advice, *Now That You're Out of the Closet* covers the full range of life concerns, including lingering childhood issues, dating, sex, and love, intolerance, and self-hatred, in a way that is always direct, open, and honest. Each chapter concentrates on a specific issue, such as coming out late in life, self-worth, being gay in dating, achieving intimacy, establishing boundaries, addressing addictions, and homophobia, abusive relationships, and developing a gay spirituality. Writing out of her own experiences as a former spouse in a heterosexual marriage, a mother of two, a lesbian, and a licensed therapist, Linda Handel offers direction to those who have discovered that coming out is only the first step in the journey toward a celebrative life.

Dykes-loving-dykes Bev Jo, Linda Strega, Ruston, 1990. **Daughters of Sarah**, 1987. **Our Right to Love** Ginny Vida, National Gay Task Force, 1978. This book reflects a growing awareness of the special concerns of lesbians. All gay women and men have, of course, felt isolated from the mainstream culture, but for lesbians, the isolation has been much more acute. With far fewer social outlets as a resource, lesbians have had greater

difficulty in establishing a sense of community and in organizing political structures Moreover the bulk of movement literature has addressed the needs and experience of gay men whose life style in some important respects differs from that of the lesbians *Practice* ,1992 **Out** ,2003-09 *Fuori* Tommi Aviccoli Mecca,1996 *Endtime* ,1992 *Healthy for Life* Brian K.
