## Nice Modern Warships Close Military Technology:

**Modern Warships Up Close** Martin J. Dougherty, 2015-12-15 In the last century there have been some pretty amazing advances in naval technology. This visually arresting reference guide profiles several dozen warships. The naval vessels featured include submarines, amphibious landing craft, aircraft carriers, and destroyers. Both historically significant ships from the past and today's newest high-tech vessels have their moments in the spotlight. The book features amazing images of the vessels profiled, which were created in 3D and then rendered as elevations. This one is sure to delight anybody who has an interest in the military history, technology, or the ocean.
